Financial Year 2014	13 February 2015

# Chairman's Letter To Shareholders

The future of Hwa Hong Corporation will be buoyed by our ability to optimise our revenue channels and identify new prospects for profitability.

Block E Neo Bankside

**D**ear Shareholders,  
As you will see in the following pages, financial performance progressed in 2013 at Hwa Hong, with profit from continuing operations, after tax of \$8.8 million, up 32% from 2012. Our dividends were \$6.5 million. Revenues were up by 8.6% and net assets per share increased from 30.15 cents to 30.9 cents. Gearing remained low.

2013 was a year in which your Group continued its transformation.

In recent years we sold two significant assets – being the development and sale of Rivergate in collaboration with CapitaLand and the sale of the Tenet Insurance Company. Your group paid substantial dividends following these sales and began rebuilding Hwa Hong from a smaller capital base. In 2013 we continued our efforts in deploying our capital more effectively with the objective of improving returns and strengthening our capacity to distribute consistent and regular dividends in the future.

From that time forward we have repositioned and enhanced several

of our longstanding assets in Singapore and in the UK including the renovation of (i) our Paya Lebar warehouse which has now been leased out as a data center and (ii) one of our London residential apartment blocks. We have also repositioned our UK serviced offices with a view to leasing them out on long term leases and have enhanced the value of the development site in Sheffield, UK, having obtained planning permission for a mixed-used scheme comprising student accommodation facilities, offices and retail shops. We are optimistic that we will recover our full investment and begin showing a profit overall with this phase.

At Paya Lebar we are happy with the 15-year lease signed by PACNET, who have spent significant sums to convert the building into a data centre.

In 2013 we identified two promising additional partners for the UK real estate investments and have put capital to work in an office building near the Tate Modern in the South Bank area and a London residential building in Kensington which we expect to undergo renovations this

# Chairman's Letter To Shareholders

Block E Neo Bankside

Allen House

year. We also announced the sale of a small property in Malaysia.

Your group continued to maintain what your management and board feel is conservative accounting, especially as we record our real estate at historical cost less depreciation. Most of our industry has moved to a fair value accounting method which we feel introduces some volatility in asset values. In order to maintain transparency, however, you will note that we do provide fair value estimates in our financials as an information item.

As we enter 2014 your group has significant real estate investments in the UK and Singapore. Our presence in the UK has been longstanding and we have good local resources and partnerships which have helped us identify properties with promising financial prospects over the years. This UK presence does result in exposure to currency fluctuations; however in 2013 we were beneficiaries of the exchange rate between the Singapore dollar and the UK pound.

In the UK we have quite a bit of activity with the two new projects I have already mentioned, namely our new strategies for the serviced office properties, and the potential to renovate more residential units.

In Singapore where we have held a 30% stake in several units at Orchard Medical, 2013 saw the sale of 9 units for a gain to Hwa Hong of a total of \$3.4 million. We still own 30% in the 38 remaining units. Furthermore, we sold 1 residential unit at Rivergate for a gain of \$1.8 million and we continue to hold 8 residential units and 4 commercial properties there. Our investment at Scotts Spazio yielded \$1.4 million of profit.

We will continue to have income from Scotts Spazio for approximately 8 years.

Overall, our strategy is to remain focused on investment opportunities, including opportunities in Singapore and UK real estate while opportunistically looking into new markets. We own and invest in properties in various sectors of the real estate business, with a primary focus on opportunities where we can upgrade or improve the property's positioning over time. Examples include the several changes of use over the years at Rivergate, the upgrading of Paya Lebar, converting the historic Sheffield UK post office building.

We believe that our balance sheet remains strong with good liquidity and low gearing.

Our priorities for 2014 include:

- The first phase in Sheffield, UK;
- Upgrading and repositioning an office building we control in Clerkenwell, London;
- Reviewing our remaining UK residential holdings for potential renovation; and
- Evaluation of further investment opportunities in the UK or Singapore while opportunistically exploring new markets.

We look forward to meeting you at our Annual General Meeting and want to thank you our shareholders, our business partners and our staff for their commitment and support.

Very sincerely,

**Hans Hugh Miller**  
*Chairman*

# Performance Review

58 Queensgate

Increase in revenue in FY2013 was mainly due to increase in rental income and increase in proceeds from sale of investment securities.

Increase in rental income was mainly due to rental income derived from our property in Paya Lebar, which achieved completion in re-development in February 2013. Rental income contributed about 32% of the total revenue with UK properties contributing about 49% of the total rental income.

Higher share trading activities resulted in an increase in the proceeds from sale of investment securities which contributed about 59% of the total revenue.

The increase in revenue was offset by a decrease in dividend and interest income.

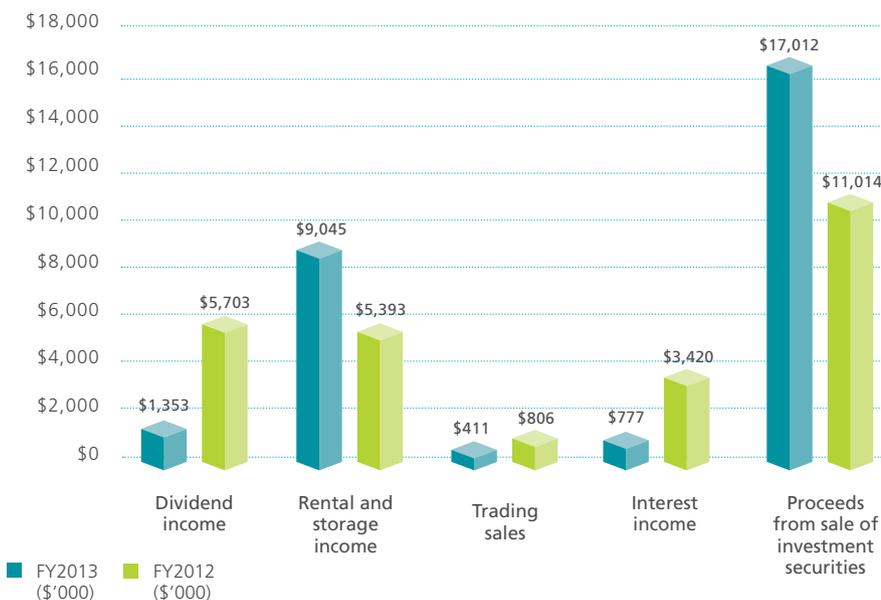

Decrease in dividend income was mainly due to a distribution of US\$3.8m received from a fund in 2012 compared to US\$0.3 million distribution this year. Dividend income contributed about 5% of total revenue.

Reduction in interest income was mainly due to a change in interest rate for a loan extended to an associate. The interest rate was revised following an exercise to determine an appropriate market interest rate for the loan extended to this associate. Interest income contributed about 3% of the total revenue with interest from loans receivables from associates representing 44% of the total interest income.

In terms of geographical spread, revenue from Singapore contributed about 84% to the Group's total revenue. Revenue from UK contributed 16% and arose from rental of UK properties and dividend income.

## INCOME STATEMENT

### Revenue from continuing operations

# Performance Review

**FY2013**  
G&A: \$7.9 million

- 48% Salaries and related costs
- 11% Legal and professional fees
- 4% Directors fees
- 6% Depreciation of property, plant and equipment
- 10% Management fees
- 7% Repair and maintenance
- 14% Other operational costs

**FY2012**  
G&A: \$9.6 million

- 45% Salaries and related costs
- 8% Legal and professional fees
- 3% Directors fees
- 4% Depreciation of property, plant and equipment
- 8% Management fees
- 6% Repair and maintenance
- 26% Other operational costs

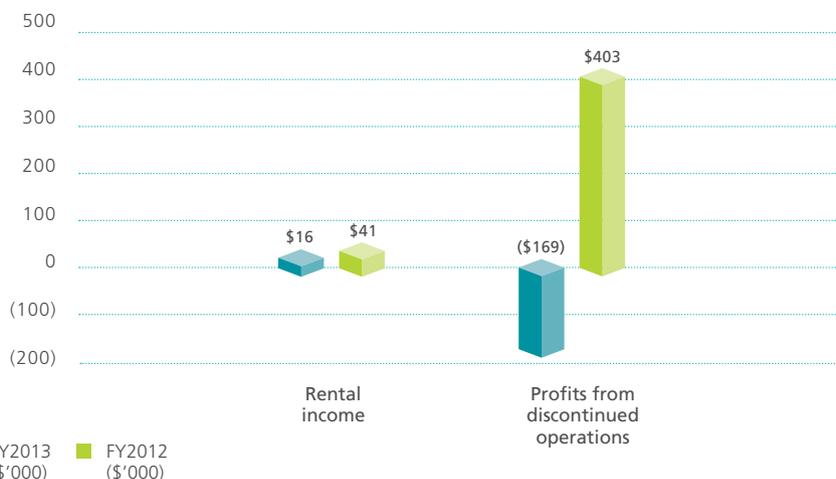

## Profit from continuing operations before taxation

Profit from continuing operations before taxation increased by \$4 million mainly due to decrease in other operating costs and general and administrative expenses. The increase was offset by decrease in gross profit, other income and share of after tax results of associates.

Other operating costs decreased by \$11.7 million mainly due to an amount of \$11.2 million relating to reversal of interest receivable from an associate, Scotts Spazio Pte Ltd ("Scotts") in FY2012. Following an exercise to determine the appropriate market interest rate for the loan extended from the Group to Scott, a reversal of interest receivable from Scott was made in F2012. Accordingly, share of after tax results of associates increased correspondingly in FY2012, arising from the reduction of interest payable on the same amount. The revision of interest rate and the increase in share of the results of the associate have no overall impact to the net results of the Group.

# Performance Review

Share of after tax results of associates in FY2013 of \$5.2 million primarily came from Scotts and Hong Property Investments Pte Ltd ("Hong Property"). The positive contribution from Hong Property of \$3.4 million arose from the completion of sale of 9 medical suites in FY2013. The positive contribution from Scotts of \$1.4 million in FY2013 came from the reduction of interest payable arising from the change in the interest rate on the loan extended from the Group.

Other income decreased by \$1.4 million mainly due to a receipt of carried interest payment in FY2012 from an investment classified as available-for-sale.

The Group reduced general and administrative expenses by about 18% to \$7.9 million in FY2013 and this largely resulted from an improved Sterling Pound exchange. The unrealised foreign exchange differences turnaround from an unrealised foreign exchange loss in FY2012 of \$0.8 million to an unrealised foreign exchange gain of \$0.4 million in FY2013 due to the improved Sterling Pound exchange rates on the translation of net assets

denominated in Sterling Pounds. Had these unrealised exchange differences been excluded from general and administrative expenses, the overall decrease in general and administrative expenses would be about \$0.4 million, mainly due to reduction in salary and related costs, arising from the resignation of certain key personnel in FY2012.

## REVENUE FROM DISCONTINUED OPERATION

On 23 December 2013, the Company entered into a sale and purchase agreement with two interested persons in relation to the proposed disposal of one of its wholly-owned subsidiary, Phratra Sdn Bhd ("Phratra") for a cash consideration of approximately \$6.6 million. Accordingly, Phratra's results have been accounted for under discontinued operation.

Decrease in revenue in discontinued operation in FY2013 was because the property in Phratra had become vacant during the year 2013.

The result of discontinued operation turnaround from a profit in 2012 to a loss in 2013 mainly due to the

reduction in reversal of impairment loss of investment properties by approximately \$0.3 million to \$0.1 million in FY2013 and a recognition of \$0.2 million loss recognised in FY2013 on re-measurement to fair value less cost to sell.

## BALANCE SHEET

Net assets increased by \$4.9 million or 2.5%. Total assets increased by \$18.5 million or 8% with total liabilities increasing by \$13.6 million or 43%.

Total liabilities increased by \$13.6 million mainly due to increase in bank borrowings of \$9.8 million for financing investments in UK and a deposit of \$3.3 million received from the proposed disposal of Phratra.

Investment in joint ventures and investment securities, included in total assets, increased by \$15.5 million mainly due to increase in investment activities in UK and increase in fair value of the available-for-sale investments arising from favourable market conditions. The other increase came from deferred rental income of \$3 million in FY2013 which relates to rental income from an investment property which the Group has entered into a 15-year commercial property lease and granted the lessee a 7-month rent free period. Investment in associates increased by \$5.1 million mainly due to increase in share of after tax results of associates. The increase in total assets was offset by reduction in amounts due from associates of \$6.3 million arising from repayment of loan due from an associate.

# Performance Review

Clerkenwell

## DEBT MANAGEMENT

The Group aims to maintain a strong credit standing and have sufficient liquidity to meet its liabilities when due, under normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

To ensure that the Group has adequate overall liquidity to finance its operations and to seize any potential investment opportunity, the Group has built up sufficient cash reserves and has unutilised credit lines of \$11.6 million. The Group also monitors its cash flow position, debt maturity profile, cost of funds and overall liquidity position on a regular basis. In managing the debt and interest rate profile, the Group takes into account the interest rate outlook, expected cash flow generated from its operations, holding period of long term investments and any acquisition and divestment plans.

During the year, the Group made repayments of \$2.9 million to banks. New bank loans obtained during the year amounted to \$12.7 million, mainly to finance the new investments in UK. The gearing ratio increased slightly from 0.16 to 0.22 and interest cover increased from 20.88 times to 39.85 times.

At 31 December 2013, the maturity profile of the remaining bank borrowings was as follows:

	\$'000	% of debt
Due in 2013	28,990	100%
Due after 2013	—	0%
	28,990	

## GEARING RATIO

## INTEREST COVER RATIO

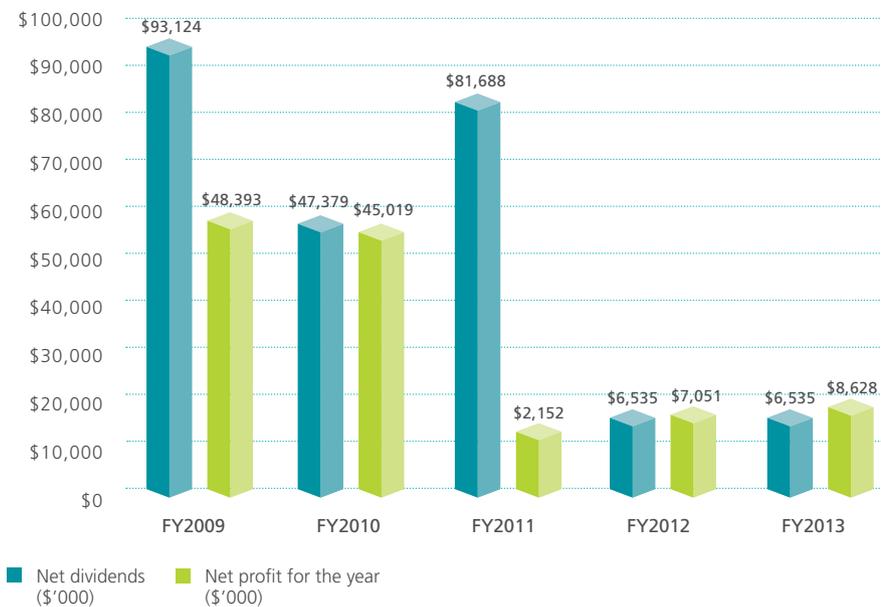

# Performance Review

110 Paya Lebar

## DIVIDENDS AND NET PROFIT FOR THE YEAR

## DIVIDEND YIELD

The Group has more than sufficient cash reserves to repay the outstanding loans and is confident of securing additional loan facilities at reasonable terms when the need arises.

## INVESTORS' RETURN

### Dividend payout

The Group has a healthy track record of paying dividends to shareholders. The decision on whether to recommend a dividend is subject to the Board of Director's discretion. In determining whether to recommend and the amount of the dividend, the Board of Directors, among other criteria, takes into account the Company's financial condition, results of operations, capital requirements and such other factors as the Board of Directors deems relevant at the time. The Group remains committed to recommending dividends to shareholders as and when the Group is able to, without compromising our ability to pursue investment opportunities that may come along.

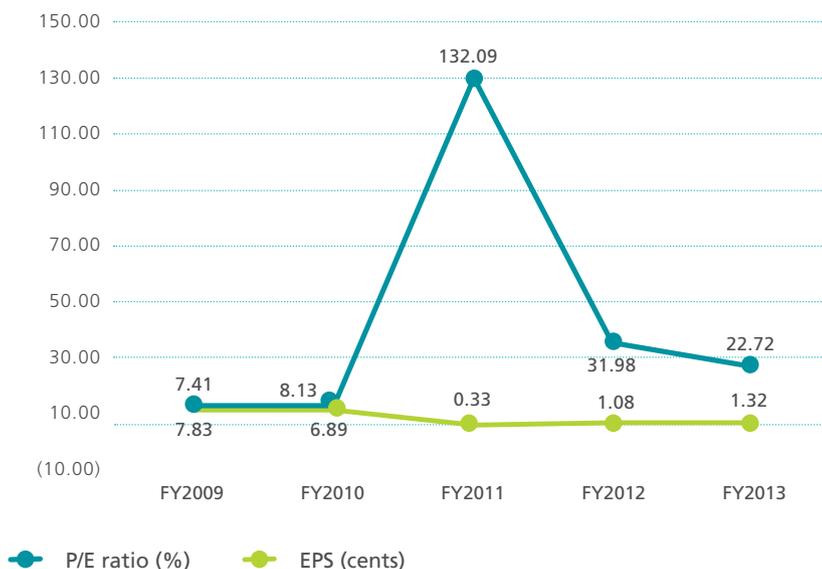

Over the last five financial years, the Group has paid over \$235 million of dividends to shareholders. In FY2013, the Group paid dividends of \$6.54 million, which accounted for 76% of our net profit for the year. This is made possible due to our strong cash position. In addition, the directors have recommended a final dividend for FY2013 of 1 cent per share, totalling \$6.54 million. Our dividend yield, before taking into account the final dividend for FY2013, is 3%.

# Performance Review

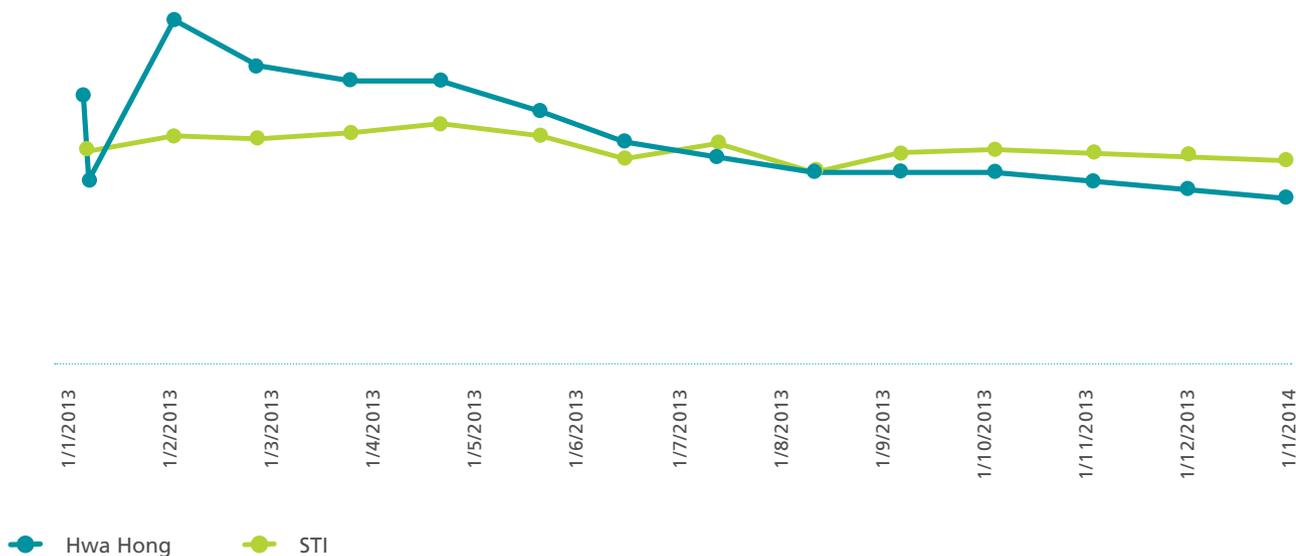

## PRICE-EARNINGS RATIO AND EARNINGS PER SHARE

## Shareholder return

The Group is committed to maximising shareholders' return in the long term. For FY2013, total earnings per share increased to 1.32 cents from 1.08 cents in FY2012. Price-earnings ratio decreased from 31.98 in FY2012 to 22.72 in FY2013.

## HANS HUGH MILLER

*Chairman; Independent and Non-Executive*  
*B.A. ECONOMICS*

Mr Hans Hugh Miller was appointed a Director and the Chairman of the Board of Directors on 3 January 2005 and 20 April 2005 respectively. He was last re-elected on 19 April 2013. He is also the Chairman of the Audit and Risk Committee and Divestment and Investment Committee of the Company and a member of the Nominating Committee of the Company.

Mr Miller holds a BA degree in economics, Carleton College (Minnesota, USA). Mr Miller is a director of Protective Life Corporation (Alabama, USA) and a member of the company's audit, and finance and investment committees. He also is an advisor and consultant to financial and non-financial institutions particularly in the area of mergers, acquisitions and strategy. He is a professional photographer and founder of Boungainvillea Books, a US-based publishing company. Mr Miller formerly was Managing Director and Senior Advisor with the investment bank of Bank of America in New York City. Previously he was President and CEO of The Hartford International Financial Services Group, LLC (CT, USA), and Senior Vice President of The Hartford Financial Services Group, Inc, for Planning, Development and Investor Relations. Mr Miller is past chairman of The Committee of American Insurers in Europe and The International Committee of the American Insurance Association, and a past board member of ITT Europe.

## ONG CHOO ENG

*Group Managing Director; Non-Independent*  
*M. SC. (ENG.), M.I.C.E., M.I.E.S.*

Mr Ong Choo Eng was appointed a Director on 15 June 1982 and has served as Group Managing Director since 10 February 1989. As Managing Director of the Company, he is not subject to retirement by rotation in accordance with the Company's Articles of Association. Hence, his last retirement and re-election as a Director was on 27 May 1988. Mr Ong will retire pursuant to Section 153 of the Companies Act, Chapter 50 as he is over 70 years of age and will be seeking re-appointment at the forthcoming Annual General Meeting of the Company scheduled to be held on 24 April 2014.

Mr Ong also sits on the boards of two public listed companies in Singapore. He is a member of the Remuneration Committee of MTQ Corporation Limited. In addition, he is a member of the Executive, Investment, Audit, Nominating and Remuneration Committees of Singapore Reinsurance Corporation Limited.

Mr Ong obtained a Bachelor of Science (Honours) Degree in Civil Engineering and a Master of Science Degree in Advanced Structural Engineering from Queen Mary College, University of London in 1966. He was elected a Fellow of Queen Mary College, University of London in 1990. Mr Ong is a member of the Institution of Civil Engineers (UK) and Institution of Engineers (Singapore).

---

# Board of Directors

---

## ONG MUI ENG

*Executive Director; Non-Independent*

Mr Ong Mui Eng was appointed a Director on 1 February 1983. He was last re-appointed on 19 April 2013. Mr Ong will retire pursuant to Section 153 of the Companies Act, Chapter 50 as he is over 70 years of age and will be seeking re-appointment at the forthcoming Annual General Meeting of the Company scheduled to be held on 24 April 2014.

Mr Ong is overseeing the finance and administration matters of the Group. Prior to joining the Company, he was a Regional Officer in The Hongkong and Shanghai Banking Corporation Limited.

## ONG HIAN ENG (DR)

*Non-Executive Director; Non-Independent  
B. SC., D.I.C., PH. D., C. ENG., FI. CHEM.E.*

Dr Ong Hian Eng was appointed a Director on 24 February 1981. He was last re-elected on 27 April 2011. Dr Ong will be subject to retirement and will be seeking re-election at the forthcoming Annual General Meeting of the Company scheduled to be held on 24 April 2014.

Dr Ong is a CEO and Executive Director of AsiaPhos Limited, a public listed company listed in Singapore. He graduated with an Upper Second Class Degree in Chemical Engineering from the University of Surrey in 1969 and completed Doctor of Philosophy (PhD) as a Biochemical Engineer at Imperial College, London in 1972. He is a Corporate Member in the class of fellows of Institution of Chemical Engineers, London since November 1986 and was a member of the Trade Development Board from January 1995 to December 1996.

He is also a member of the Singapore Sichuan Trade & Investment Committee and honorary council member of the Singapore Chinese Chamber of Commerce & Industry.

## GUAN MENG KUAN

*Non-Executive Director; Non-Independent  
B. SC. (ENG.), M.I.E.S., M.I.E.M.*

Mr Guan Meng Kuan was appointed a Director on 1 February 1983 and last re-appointed on 19 April 2013. He is also a member of the Nominating Committee and Remuneration Committee of the Company. Mr Guan will retire pursuant to Section 153 of the Companies Act, Chapter 50 as he is over 70 years of age and will be seeking re-appointment at the forthcoming Annual General Meeting of the Company scheduled to be held on 24 April 2014.

Mr Guan was the Managing Director of Singapore Piling & Civil Engineering Private Limited ("SPACE") from November 1971 to December 1999, after which, he has remained as a Director and acted as a consultant to SPACE until this wholly owned subsidiary of the Company was disposed of on 2 July 2001. Prior to this, he held several head posts of Executive Engineer, Deputy Director and Acting Director of Development Division of Jurong Town Corporation.

Mr Guan holds a Bachelor of Science (Engineering) from the University of London, and is a member of the Institution of Engineers (Singapore) and Institution of Engineers (Malaysia).

Mrs Chen graduated with a Bachelor of Social Science (Honours) from the University of Singapore in 1975. She also holds a Diploma in Marketing Management.

### ONG ENG YAW

*Manager, Investments*

*Singapore Warehouse Company (Private) Ltd.*

Mr Ong Eng Yaw joined the Company as Manager for Investments on 1 August 2008. He is responsible for the Group's business development and investment activities. Prior to joining the Company, he has worked in OCBC Bank, Vickers Ballas, DBS Bank, CIMB Group and Parkway Life Real Estate Investment Trust. Mr Ong's career has primarily been in corporate finance. His primary experience has been in advising companies on various equity capital market transactions including initial public offerings, secondary equity offerings as well as mergers and acquisitions. In addition, he has had experience in real estate investment and management in Singapore and the United Kingdom.

Mr Ong graduated with a Bachelor of Laws (second class upper division) from University College London, an MSc (Investment Management) from Cass Business School and an MBA from INSEAD.

### ONG ENG LOKE

*Business Development Manager*

*Hwa Hong Edible Oil Industries Pte. Ltd.*

Mr Ong joined the Company in August 2004 as manager for business development. Prior to the appointment, he was a fund manager in Tokio Marine Asset Management International Pte Ltd, UOB Asset Management and OUB Asset Management. He is currently responsible for investment opportunities in Asia particularly in the North Asian region of China, Hong Kong and Korea.

Mr Ong graduated with a BComm and Honours BSc (Distinction) in Finance, Actuarial Science and Statistics from the University of Toronto, Canada, and a Master of Arts in Statistics at the York University, Canada, and a Master of Social Science in Applied Economics at the National University of Singapore. He is a Chartered Financial Consultant.

### LEE SOO WEI

*Chief Financial Officer*

*Hwa Hong Corporation Limited*

Ms Lee Soo Wei joined the Company as Chief Financial Officer on 16 July 2012. She oversees the financial management of the Group, which covers accounting, tax, financial control and reporting.

Ms Lee is a non-practising member of the Institute of Singapore Chartered Accountants (formerly known as 'Institute of Certified Public Accountants of Singapore').

Prior to joining the Group, Ms Lee was a senior audit manager in the Singapore office of a big four accounting firm where she was involved in various audit and special engagements of local and multi-national companies in various industries.

---

# Corporate Governance Report

---

Hwa Hong Corporation Limited (the "Company") recognises the importance of good corporate governance practices. The Board of Directors and Management are committed to use its best endeavours to align the governance framework with the recommendations under the revised Code of Corporate Governance which was issued on 2 May 2012 (the "2012 Code").

This report describes the Company's corporate governance practices with reference to the principles of the 2012 Code.

## (A) BOARD MATTERS

### THE BOARD'S CONDUCT OF ITS AFFAIRS

*Principle 1: Every company should be headed by an effective Board to lead and control the company. The Board is collectively responsible for the long-term success of the company. The Board works with Management to achieve this objective and Management remains accountable to the Board.*

The board of directors of the Company (the "Board") oversees the corporate policy and overall strategy for the Group. The principal role and responsibilities of the Board include:-

- overseeing the overall strategic plans, overall policies and financial objectives of the Group;
- reviewing the operational and financial performance of the Company and the Group;
- overseeing the business and affairs of the Group, including reviewing the performance of management;
- approving quarterly financial results announcements, circulars, and audited financial statements and annual reports;
- dealing with matters such as conflict of interest issues relating to directors and substantial shareholders, major acquisitions and disposals of assets, dividend and other distributions to shareholders, and those transactions or matters which require Board's approval under the provisions of the Listing Manual (the "Listing Manual") of the Singapore Exchange Securities Trading Limited ("SGX-ST") or any applicable regulations;
- approving changes in the composition of the Board;
- overseeing the Group's system of internal controls, risk management, financial reporting and compliance; and
- overseeing and enhancing corporate governance practices within the Group.

The Board has adopted a set of internal guidelines which sets out authorisation and approval limits for capital expenditure, investments and divestments, bank borrowings and cheque signatories at Board and Management levels.

Management generally seek Board's approval on matters required under the Companies Act and the Listing Manual.

The functions of the Board are either carried out by the Board or delegated to various Committees established by the Board, namely, the Audit and Risk Committee ("ARC"), the Nominating Committee ("NC"), the Remuneration Committee ("RC") and the Divestment and Investment Committee ("DAIC"). Each Committee has the authority to examine issues relevant to their terms of reference and to make recommendations to the Board for action.

# Corporate Governance Report

The Board conducts regularly scheduled meetings on a quarterly basis. Additional meetings are convened as and when circumstances warrant. The Articles of Association of the Company allow Board meetings to be conducted via any form of audio or audio-visual communication. The directors are free to discuss any information or views presented by any member of the Board and Management.

The Company has adopted a policy which welcomes directors to request further explanations, briefings or informal discussions on any aspect of the Group's operations or business from the Management of the Company.

When circumstances require, members of the Board exchange views outside the formal environment of board meetings.

The attendance record of each director at meetings of the Board and Board Committees during the year 2013 is disclosed below:

## Number Of Meetings Attended In 2013

Name of Director	Board of Directors	Audit and Risk Committee ("ARC")	Nominating Committee ("NC")	Remuneration Committee ("RC")	Divestment and Investment Committee ("DAIC")
Hans Hugh Miller <sup>(1)</sup>	4	4	2	1	4
Ong Choo Eng <sup>(2)</sup>	4	Not applicable	Not applicable	Not applicable	1
Ong Mui Eng	4	Not applicable	Not applicable	Not applicable	Not applicable
Ong Hian Eng	4	Not applicable	Not applicable	Not applicable	Not applicable
Guan Meng Kuan	4	Not applicable	2	3	Not applicable
Goh Kian Hwee <sup>(3)</sup>	4	6	1	3	Not applicable
Ong Wui Leng, Linda <sup>(4)</sup>	3	4	1	Not applicable	3
Huang Yuan Chiang <sup>(5)</sup>	3	4	Not applicable	2	3
Ma Kah Woh, Paul <sup>(6)</sup>	2	2	Not applicable	Not applicable	1
Wee Sin Tho <sup>(7)</sup>	2	2	Not applicable	Not applicable	Not applicable
<b>Number of meetings held in 2013</b>	<b>4</b>	<b>6</b>	<b>2</b>	<b>3</b>	<b>4</b>

### Notes

(1) Mr Hans Hugh Miller was appointed Chairman of the ARC on 20 April 2013. He stepped down as Chairman and member of the RC on the same day.

(2) Mr Ong Choo Eng stepped down as a member of the DAIC on 20 April 2013.

(3) Mr Goh Kian Hwee stepped down as Chairman and member of the NC on 20 April 2013.

(4) Ms Ong Wui Leng, Linda was appointed a Director of the Company on 19 April 2013. She was appointed Chairman of the NC and member of the ARC and DAIC on 20 April 2013.

(5) Mr Huang Yuan Chiang was appointed a Director of the Company on 19 April 2013. He was appointed Chairman of the RC and member of the ARC and DAIC on 20 April 2013.

(6) Mr Ma Kah Woh, Paul resigned as a Director of the Company on 20 April 2013 and ceased to be Chairman of the ARC and a member of the DAIC.

(7) Mr Wee Sin Tho resigned as a Director of the Company on 20 April 2013 and ceased to be a member of the ARC.

---

# Corporate Governance Report

---

Newly appointed directors were given briefings and orientation by the Executive Directors and the Management to familiarise them with the businesses and operations of the Group.

The directors may join institutes and group associations of specific interests, and attend relevant training seminars or informative talks from time to time so that they are in a better position to discharge their duties. As part of their continuing education, Directors may attend courses in areas of directors' duties and responsibilities, corporate governance, changes in financial reporting standards, insider trading, changes in the Companies Act and industry-related matters, to keep themselves apprised and updated on the latest corporate, regulatory, legal and other requirements.

## BOARD COMPOSITION AND GUIDANCE

*Principle 2: There should be a strong and independent element on the Board, which is able to exercise objective judgement on corporate affairs independently, in particular, from Management and 10% shareholders. No individual or small group of individuals should be allowed to dominate the Board's decision making.*

The Board comprises eight directors, half of whom (including the Chairman of the Board) are independent directors. Out of the eight directors, two are full-time Executive Directors, and therefore, non-independent. As independent and non-executive directors make up 75% of the Board, no individual or small group of individuals dominate the Board's decision making.

The NC determines on an annual basis whether or not a director is independent, taking into account the 2012 Code's definition. In respect of the review of the independence of each director for the financial year ended 31 December 2013, the NC assessed the independence of each Director and had considered Mr Hans Hugh Miller, Mr Goh Kian Hwee, Mr Huang Yuan Chiang and Ms Ong Wui Leng, Linda are independent. Each member of the NC has abstained from deliberations in respect of assessment of his own independence.

The NC also considered, and is of the view that, the size and composition of the Board are appropriate for effective decision making, taking into account factors such as the scope and nature of the operations of the Group and the core competencies of Board members who are in the fields of civil engineering, accounting, chemical engineering, insurance, law, finance and banking.

The non-executive directors meet separately after each scheduled quarterly board meetings without the presence of Management.

The Company conducts annual board evaluation on each director on an individual basis and as a group to further assist the NC in the assessment of independence of each director and the effectiveness of the Board as a whole. In considering whether an Independent Director who has served on the Board beyond 9 years is still independent, the NC takes into consideration the following factors –

- (i) The conclusions of the annual board evaluation; and
- (ii) The attendance and active participation in the proceedings and decision making process of the Board and Board Committee meetings.

---

# Corporate Governance Report

---

- determining whether or not a director is able to and has been adequately carrying out his duties as a director of the Company, particularly when he has multiple board representations;
- reviewing Board succession plans for Directors, in particular, the Chairman and Chief Executive Officer;
- reviewing training and professional development programs for the Board;
- making recommendations to the Board for the continuation (or not) in services of any Director who has reached the age of 70 years, where appropriate;
- deciding how the Board's performance may be evaluated; and
- recommending for the Board's implementation, a process for assessing the effectiveness of the Board as a whole and for assessing the contribution by each individual director to the effectiveness of the Board.

The Board had in place procedures on the selection and appointment of directors, which outlines for identification of potential candidates and assessment of their skills, knowledge and experience. Recommendations to the Board are made based on the NC's review of these candidates' suitability.

At each Annual General Meeting ("AGM") of the Company, the Articles of Association of the Company requires one-third of the directors (excluding a Managing Director) to retire from office, being one-third of those who have been longest in office since their last re-election. The retiring directors submit themselves for re-nomination and re-election. A newly appointed Director must also subject himself for retirement and re-election at the AGM immediately following his appointment. In addition, directors of or over 70 years of age are required to be re-appointed every year at the AGM pursuant to Section 153 of the Companies Act, Chapter 50 (the "Act"), before they can continue to act as a director.

In compliance with the Company's Articles of Association, Dr Ong Hian Eng and Mr Goh Kian Hwee would retire by rotation at the forthcoming AGM.

Mr Ong Mui Eng, Mr Guan Meng Kuan and Mr Ong Choo Eng who are of or over 70 years of age, would be re-appointed at the forthcoming AGM pursuant to Section 153 of the Act.

In compliance with the recommendation of the 2012 Code on rigorous review of independence of any director who has served the Board for a period beyond nine years from the date of his first appointment, the Board has accepted the NC's recommendation that Mr Goh Kian Hwee be considered independent and will continue to contribute objectively and positively to the Board deliberations.

In assessing and recommending a candidate for appointment to the Board, the NC had taken into consideration the background, experience and knowledge that the candidate brings and which could benefit the Board. New directors are appointed by way of a board resolution after the NC recommends the appointment for approval of the Board.

The Nominating Committee has reviewed from time to time competing time commitments of directors who serve on multiple boards and have other major commitments

---

# Corporate Governance Report

---

The Nominating Committee also considered, and is of the opinion, that the multiple board representations held by directors of the Company do not impede their performance in carrying out their duties to the Company.

Further information regarding directors can be found in the section “Board of Directors” on pages 13 to 15. Details of directors’ shareholdings in the Company and related corporations are set out in the “Directors’ Report” on pages 32 to 34.

## BOARD PERFORMANCE

*Principle 5: There should be a formal annual assessment of the effectiveness of the Board as a whole and its board committees and the contribution by each director to the effectiveness of the Board.*

The Nominating Committee meets at least once a year, and as warranted by circumstances, to discharge its functions. In assessing and making recommendation to the Board as to whether the retiring directors are suitable for re-election/re-appointment, the Nominating Committee takes into account the director’s attendance at meetings and his contribution and performance at such meetings.

The Nominating Committee has in place a Board performance evaluation whereby the Board will complete a peer assessment. An independent third party consultant was engaged to collate the Board’s evaluations and provide summary observations for the Nominating Committee Chairman and Board Chairman.

## ACCESS TO INFORMATION

*Principle 6: In order to fulfil their responsibilities, directors should be provided with complete, adequate and timely information prior to board meetings and on an on-going basis so as to enable them to make informed decisions to discharge their duties and responsibilities.*

The Management including the Executive Directors keep the Board apprised of the Group’s operations and performance through quarterly updates and reports as well as through informal discussions. Prior to any meetings of the Board or Committees, directors are provided, where appropriate, with management information to enable them to be prepared for the meetings. On an ongoing basis, all Board members have separate and independent access to Management should they have any queries or require additional information on the affairs of the Company and the Group.

The Board members also have access to the Company Secretary. The Company Secretary attends all ARC and Board Meetings.

Where the directors either individually or as a group, in the furtherance of their duties, require independent professional advice, assistance is available to assist them in obtaining such advice at the Company’s expense.

---

# Corporate Governance Report

---

## (B) REMUNERATION MATTERS

### PROCEDURES FOR DEVELOPING REMUNERATION POLICIES

*Principle 7: There should be a formal and transparent procedure for developing policy on executive remuneration and for fixing the remuneration packages of individual directors. No director should be involved in deciding his own remuneration.*

### REMUNERATION COMMITTEE

The RC comprises entirely of non-executive directors, majority of whom, including the Chairman are independent. The RC members are:

Huang Yuan Chiang                      *Chairman*  
Goh Kian Hwee  
Guan Meng Kuan

The roles, duties and responsibilities of the RC cover the functions described in the Code including but not limited to, ensuring a fair and transparent procedure for developing policy on executive remuneration and fixing the remuneration packages of directors and key management personnel. As and when deemed appropriate by the Remuneration Committee, expert advice is or will be sought.

The RC also administers the Share Option Scheme of the Company.

### LEVEL AND MIX OF REMUNERATION

*Principle 8: The level and structure of remuneration should be aligned with the long-term interest and risk policies of the company, and should be appropriate to attract, retain and motivate (a) the directors to provide good stewardship of the company, and (b) key management personnel to successfully manage the company. However, companies should avoid paying more than is necessary for this purpose.*

The RC recommends to the Board the quantum of Directors' fees and the Board in turn endorses the recommendation for shareholders' approval at AGM. Directors' fees are payable to the non-executive directors and take into account the non-executive director's attendance and responsibilities on the respective Committees of the Board. For the Executive Directors, each of their service contracts and compensation packages is reviewed privately by the RC.

The Company had put in place a share option scheme known as the "Hwa Hong Corporation Limited (2001) Share Option Scheme" (the "2001 Scheme"), approved by shareholders on 29 May 2001. The extension of the 2001 Scheme for a further period of 10 years from 29 May 2011 to 28 May 2021 was approved by shareholders at the Annual General Meeting held on 27 April 2011. Under the 2001 Scheme, the number of shares in respect of which options may be granted shall be determined at the discretion of the Remuneration Committee who shall take into account, inter alia, the seniority, level of responsibility, years of service, performance evaluation and potential for development of the employee. More information on the 2001 Scheme can be found in the Rules of the 2001 Scheme as set out in Appendix 1 of the Circular to Shareholders dated 4 May 2001. No options have yet been granted under the 2001 Scheme in 2012.

# Corporate Governance Report

## Disclosure On Remuneration

*Principle 9: Every company should provide clear disclosure of its remuneration policies, level and mix of remuneration, and the procedure for setting remuneration, in the company's Annual Report. It should provide disclosure in relation to its remuneration policies to enable investors to understand the link between remuneration paid to directors and key management personnel, and performance.*

The RC makes recommendations on an appropriate framework of remuneration taking into account employment conditions within the industry and the Group's performance to ensure that the package is competitive and sufficient to attract, retain and motivate the Directors and key executives. On the other hand, the Company avoids paying more than it is necessary for this purposes. Elements of the Group's relative performance and the performance of the individual Directors form part of the Executive Directors' remuneration packages so as to align their interests with those of shareholders and promote long-term success of the Company.

The breakdown (in percentage terms) of the remuneration of directors of the Company for the financial year ended 31 December 2013 ("FY 2013") is set out below:

Remuneration Band & Name Of Director	Variable Or Performance			Other		Total %
	Based/ Fixed Salary*	Related Income Bonus*	Fees **	Benefits In Kind	Long Term Incentives	
	%	%	%	%	%	%
(i) \$500,001 to \$750,000						
Ong Choo Eng <sup>1</sup>	67.8	30.5	–	1.7	–	100
(ii) \$250,000 and below						
Ong Mui Eng <sup>1</sup>	80.4	13.4	–	6.2	–	100
Ong Eng Loke <sup>2</sup>	76.6	12.8	–	10.6	–	100
Hans Hugh Miller	–	–	100	–	–	100
Guan Meng Kuan	–	–	100	–	–	100
Goh Kian Hwee	–	–	100	–	–	100
Ong Wui Leng, Linda	–	–	100	–	–	100
Huang Yuan Chiang	–	–	100	–	–	100
Ong Hian Eng	–	–	100	–	–	100

\* Inclusive of employer's central provident fund contributions.

\*\* The fees payable by the Company to the non-executive directors for FY 2013 were approved by shareholders at the AGM held on 19 April 2013.

1 Mr Ong Choo Eng and Mr Ong Mui Eng are brothers and also Executive Directors of the Group, and each of their all-in remuneration exceeded S\$150,000 for FY 2013.

2 Mr Ong Eng Loke resigned as an Alternate Director to Mr Ong Mui Eng with effect from 20 April 2013. The remuneration above covered the period from 1 January 2013 to 20 April 2013.

# Corporate Governance Report

The remuneration of top four key executives (who are not also directors) of the Group is categorised into the respective remuneration bands as follows:

<b>Top 4 Key Executives In Remuneration Bands</b>	<b>Number</b>
(i) \$250,001 to \$500,000	3
(ii) \$250,000 and below	1
Total	<u>4</u>

Given the highly competitive industry conditions and the sensitivity and confidentiality of remuneration matters, the Company believes that detailed disclosure of remuneration of each individual executive as recommended by the Code, would be disadvantageous to the Group's interests.

Two of the employees whose all-in remuneration exceeded \$50,000 are the immediate family members of Mr Ong Choo Eng, the Group Managing Director. One of the employee whose all-in remuneration exceeded \$50,000 is the immediate family member of Mr Ong Mui Eng, an Executive Director. Save as disclosed, none of the employees of the Company and its subsidiaries was an immediate family of any director or the Chief Executive Officer, and whose remuneration exceeded \$50,000 in the year 2013.

## (C) ACCOUNTABILITY AND AUDIT

### ACCOUNTABILITY

*Principle 10: The Board should present a balanced and understandable assessment of the company's performance, position and prospects.*

The Board is responsible for providing a balanced and understandable assessment of the Group's performance, position and prospects, including interim and other price sensitive public reports and reports to regulators (if required). Management provides directors on a quarterly basis, with management accounts and reports on the Groups' financial performance and commentary of the competitive conditions of the industry in which the Group operates, which are reviewed by the Board at quarterly Board Meetings. Further, the Company adopts a policy which welcomes directors to request for further explanations, briefings or informal discussions on any aspect of the Group's operations or business from Management.

Shareholders are informed of the financial performance of the Group through quarterly results announcements and the various disclosures and announcements made to the SGX-ST via SGXnet. The Company provides a platform in its website containing recent information which has been disseminated via SGXnet to the SGX-ST and the public.

---

# Corporate Governance Report

---

## RISK MANAGEMENT AND INTERNAL CONTROLS

*Principle 11: The Board is responsible for the governance of risk. The Board should ensure that Management maintains a sound system of risk management and internal controls to safeguard shareholders' interests and the company's assets, and should determine the nature and extent of the significant risks which the Board is willing to take in achieving its strategic objectives.*

The ARC reviews the Hwa Hong Group's system of internal controls, including financial, operational, compliance and information technology controls, and risk management policies and systems established by Management. Management maintains a sound system of risk management and internal controls which are adequate to provide reasonable assurance of the integrity, effectiveness and efficiency of the Company in safeguarding shareholders' interests and the Group's assets.

A formalized risk management has been established since 2006 whereby key risks, control measures and management actions are identified and monitored by the directors and managers. The Risk Management Report can be found on page 31.

Based on the internal controls established and maintained by the Group, work performed by the internal and external auditors, reviews performed by Management and written representation from the Group Managing Director and Chief Financial Officer on internal controls, the Board, with the concurrence of the ARC, is of the opinion that the Group's internal controls addressing financial, operational, compliance risks and information technology risks are adequate as at 31 December 2013.

The system of internal controls provides reasonable, but not absolute, assurance that the Group will not be adversely affected by any event that can be reasonably foreseen as it strives to achieve its business objectives. However, the Board also notes that no system of internal controls can provide absolute assurance in this regard, or absolute assurance against the occurrence of material errors, poor judgement in decision making, human error, losses, fraud or other irregularities.

The Board has received assurance from the Group Managing Director and the Chief Financial Officer that:

- (i) The Company's financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances; and
- (ii) The system of risk management and internal controls in place within the Group is adequate and effective as at 31 December 2013 in addressing the financial, operational, compliance and information technology risks.

The Group Managing Director and Chief Financial Officer had obtained similar assurance from the respective Managers of the various business units in the Group.

---

# Corporate Governance Report

---

## AUDIT AND RISK COMMITTEE (“ARC”)

*Principle 12: The Board should establish an Audit Committee (“AC”) with written terms of reference which clearly set out its authority and duties.*

The ARC comprises four members, all of whom are independent directors. The members of the ARC are:

Hans Hugh Miller                      *Chairman*  
Goh Kian Hwee  
Ong Wui Leng, Linda  
Huang Yuan Chiang

The Board believes that the ARC is appropriately qualified to discharge their duties and responsibilities.

The ARC has explicit authority to investigate any matter within its terms of reference. It has full access to Management and full discretion to invite any director or executive officer to attend its meetings, and to be provided with reasonable resources to enable it to discharge its functions properly.

The duties and functions of the ARC include the following:

- reviewing the overall scope of the internal and external audit and its cost effectiveness;
- reviewing the assistance given by the Group’s officers to the internal and external auditors;
- reviewing the Group’s periodic results announcements, the financial statements of the Company and the consolidated financial statements of the Group including the significant financial reporting issues and judgments and auditors’ report prior to submission to the Board for approval and release;
- reviewing with the internal and external auditors the results of their examination of the Group’s system of internal accounting controls;
- reviewing non-audit services provided by the external auditors;
- reviewing the independence and objectivity of the external auditors;
- reviewing the adequacy and effectiveness of the internal audit function;
- reviewing the effectiveness and adequacy of the Group’s internal financial controls, operational, compliance and information technology controls and risk management policies;
- nominating external auditors for appointment, re-appointment, or removal, and approving their remuneration and terms of engagement; and
- reviewing interested person transactions;

---

# Corporate Governance Report

---

The ARC met with the external and internal auditors without the presence of Management for FY2013 audit. The Group Managing Director and the Chief Financial Officer were invited to be present at the ARC meetings to report and brief ARC members on the financial and operating performance of the Group and to answer any queries from the ARC members on any aspect of the operations of the Group. The external auditors were also invited to be present at all the ARC meetings held during the year to, *inter alia*, deliberate on accounting and auditing matters.

During the financial year, the ARC reviewed the quarterly financial statements prior to approving or recommending their release to the Board, as applicable; the annual audit plan of the external and internal auditors and the results of the audits performed by them; the list of interested person transactions; effectiveness and adequacy of the Group's risk management and internal controls systems; audit and non-audit services rendered by the external auditors and the re-appointment of external auditors and their remuneration.

The ARC takes measures to keep themselves abreast of the changes to accounting standards and issues which have a direct impact on financial statements, with updates provided by external auditors.

The external auditors have confirmed to the ARC that no non-audit services have been provided by them to the Group and accordingly, no non-audit fees of any kind have been paid or payable to external auditors. Accordingly, the ARC is of the opinion that the independence and objectivity of the external auditors have not been affected.

The accounts of the Company and significant subsidiaries and associated companies, except for one associated company, are audited by Ernst & Young LLP, an auditing firm registered with the Accounting and Corporate Regulatory Authority. The significant associated company is audited by KPMG LLP, an auditing firm registered with the Accounting and Corporate Regulatory Authority. The ARC and the Board are satisfied that the appointment of the different auditor for this significant associated company would not compromise the standard and effectiveness of the audit of the Company. The Group's overseas subsidiaries and associated companies whose contributions to the Group are not significant, are audited by other auditors. The Company has complied with Rule 712 and Rule 715 together with Rule 716 of the Listing Rules of the SGX-ST.

The Company has a whistle-blowing policy whereby staff of the Group and relevant external parties may, in confidence, raise concerns about possible irregularities in matters of financial reporting or other matters. The policy defines the processes clearly to ensure independent investigation of such matters and permits whistle blowers to communicate directly with the ARC Chairman.

## INTERNAL AUDIT

*Principle 13: The company should establish an effective internal audit function that is adequately resourced and independent of the activities it audits.*

The internal audit function is outsourced to KPMG LLP ("IA") who reports directly to the ARC. The IA conducts independent reviews, assessment and follow-up procedures on the Group's financial, operational and compliance controls and the IA's findings and recommendations are presented to and reviewed by the ARC.

The ARC met with the IA, at least annually, to review the adequacy and effectiveness of the internal audit function.

---

# Corporate Governance Report

---

## (D) SHAREHOLDER RIGHTS AND RESPONSIBILITIES

*Principle 14: Companies should treat all shareholders fairly and equitably, and should recognise, protect and facilitate the exercise of shareholders' rights, and continually review and update such governance arrangements.*

*Principle 15: Companies should actively engage their shareholders and put in place an investor relations policy to promote regular, effective and fair communication with shareholders.*

The Company strives to disclose information on a timely basis to shareholders and ensure any disclosure of price sensitive information is not made to a selective group. All shareholders of the Company receive the full annual report with the notice of AGM. Recent annual reports of the Company are available on the Company's website at **www.hwahongcorp.com**. The notice of AGM is also advertised in newspapers and made available on the SGXnet. At AGMs, shareholders are given the opportunity to air their views and ask directors or Management questions regarding the Company and the Group.

The Company has been paying dividend at year end. Any payouts are clearly communicated to shareholders in public announcements via SGXnet.

### CONDUCT OF SHAREHOLDER MEETINGS

*Principle 16: Companies should encourage greater shareholder participation at general meetings of shareholders, and allow shareholders the opportunity to communicate their views on various matters affecting the company.*

Under the existing Articles of Association of the Company, a shareholder may vote in person or appoint not more than two proxies to attend and vote in his stead. Such proxy to be appointed need not be a shareholder.

Each distinct issue will be tabled for shareholders' approval via separate resolutions at the general meetings.

The chairman of the ARC, NC, RC, DAIC and the external auditors are also present to assist the directors in addressing any relevant queries by shareholders.

### DEALINGS IN SECURITIES

The Company has adopted an internal code on dealings in securities, which has been disseminated to all employees within the Group (the "Code").

Directors and employees of the Company are reminded not to deal (whether directly or indirectly) in the Company's securities on short-term considerations and be mindful of the law on insider trading as prescribed by the Securities & Futures Act, Chapter 289 of Singapore.

The Code also makes clear that it is an offence to deal in the Company's securities and securities of other listed companies, while in possession of unpublished price-sensitive information and prohibits trading as well as in the following periods:

- i) the period commencing two weeks before the announcement of the Company's financial statements for the first, second and third quarters of its financial year; and
- ii) the period commencing one month before the announcement of the Company's financial statements for its full financial year.

Each of the above periods will end on the date of the announcement of the relevant results of the Company.

# Corporate Governance Report

## INTERESTED PERSON TRANSACTIONS

The Company has established procedures to ensure that all transactions with interested persons are reported on a timely manner to the ARC and that the transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority shareholders.

Transactions entered into with interested persons during FY 2013 were as follows:

<b>Name Of Interested Person</b>	<b>Aggregate Value Of All Interested Person Transactions During The Financial Year Under Review (Excluding Transactions Less Than \$100,000 And Transactions Conducted Under Shareholders' Mandate Pursuant To Rule 920)</b>	<b>Aggregate Value Of All Interested Person Transactions Conducted Under Shareholders' Mandate Pursuant To Rule 920 (Excluding Transactions Less Than \$100,000)</b>
Hong Leong Investment Holdings Pte. Ltd. Group - Interest charged on shareholder loan to Hong Property Investment Pte Ltd	\$240,754	Not applicable**
Ong Hian Eng - Interest charge on convertible debt instrument issued by a company in which the above director has a substantial interest	\$273,793	Not applicable**
Goh Kian Hwee - Professional fee for services rendered by a firm and an associated firm related to a director	\$102,774	Not applicable**
Guan Meng Kuan - Deposit received from a director for the acquisition of a 40% interest in a subsidiary - Deposit received from an associate of Mr Guan for the acquisition of a 60% interest in a subsidiary	\$1,310,700  \$2,010,930	Not applicable**  Not applicable**

\*\* There is no subsisting shareholders' mandate for interested person transactions pursuant to Rule 920 of the Listing Manual of the Singapore Exchange Securities Trading Limited.

# Risk Management And Control Environment

---

## RISK MANAGEMENT

The main objective of risk management in Hwa Hong Group is to protect the Group against material losses that may result from taking on unnecessary risks for which it has not been adequately compensated. The Board of Directors' philosophy on risk management is that all risks must be identified, understood, monitored and managed. Furthermore, risk management processes must be closely aligned to the Group's vision and strategy. Since 2006, the Group has implemented a formalised Risk Management Framework for the identification, monitoring and reporting of risks.

The Group believes that effective risk management is the responsibility of all directors and managers, with the Board of Directors providing general oversight. The Audit and Risk Committee supports the Board in the oversight of the financial and other operational risks.

A sound system of risk management and internal control is essential and in this regard, the responsibilities of managers are designed such that there is adequate segregation of duties so that there is a system of checks and balances in the key areas of operations.

The Group's financial risk management objectives and policies are discussed further in Note 37 to the financial statements.

## RISK PROCESSES AND ACTIVITIES

During the year, Management carried out a review of the Group's Risk Journals to update and identify new risks that may adversely affect the Group's operations. Based on the reviews, the Board of Directors is not aware of any matter which suggests that key risks are not being satisfactorily managed.

---

# Directors' Report

---

The directors present their report to the members together with the audited consolidated financial statements of Hwa Hong Corporation Limited (the Company) and its subsidiaries (collectively, the Group) and the balance sheet and statement of changes in equity of the Company for the financial year ended 31 December 2013.

## DIRECTORS

The directors of the Company in office at the date of this report are:

Hans Hugh Miller            (*Chairman*)  
Ong Choo Eng               (*Group Managing Director*)  
Ong Mui Eng  
Ong Hian Eng  
Guan Meng Kuan  
Goh Kian Hwee  
Ong Wui Leng, Linda       (*Appointed on 19 April 2013*)  
Huang Yuan Chiang       (*Appointed on 19 April 2013*)

## ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE SHARES AND DEBENTURES

At an extraordinary general meeting of the Company held on 7 November 2003, shareholders of the Company approved, *inter alia*, a scrip dividend scheme known as Hwa Hong Corporation Limited Scrip Dividend Scheme (the "Scrip Dividend Scheme"), which, if applied, provides an opportunity for shareholders of the Company to make an election to receive dividends in the form of ordinary shares in the Company, instead of cash. Pursuant to the Scrip Dividend Scheme, directors who are also shareholders of the Company may elect to receive their dividend entitlements in the form of ordinary shares in the Company if the directors of the Company have determined that the Scrip Dividend Scheme is to apply to a particular dividend.

Except as disclosed aforesaid and under "Share Options" in this report, neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

# Directors' Report

## DIRECTORS' INTERESTS IN SHARES AND DEBENTURES

The following directors, who held office at the end of the financial year, had, according to the register of directors' shareholdings required to be kept under section 164 of the Singapore Companies Act, Cap. 50, an interest in shares of the Company as stated below:

	Shares beneficially held by director		Shareholdings in which director is deemed to have an interest	
	At 1.1.2013	At 31.12.2013	At 1.1.2013	At 31.12.2013
Ong Choo Eng	587,000	587,000	63,646,395	63,646,395
Ong Mui Eng	11,505,664	11,505,664	321,748	321,748
Ong Hian Eng	9,898,463	9,898,463	32,385,000	32,385,000
Guan Meng Kuan	4,534,860	4,534,860	–	–

There was no change in any of the above mentioned interests in the Company between the end of the financial year and 21 January 2014.

Except as disclosed in this report, no director who held office at the end of the financial year had interests in shares, share options, warrants or debentures of the Company, or of related corporations, either at the beginning of the financial year, or date of appointment if later, or at the end of the financial year.

## DIRECTORS' INTERESTS IN CONTRACTS

Except as disclosed in this report and the accompanying financial statements, since the end of the previous financial year, no director of the Company has received or become entitled to receive a benefit by reason of a contract made by the Company or a related corporation with the director, or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

## SHARE OPTIONS

### Hwa Hong Corporation Limited (2001) Share Option Scheme

At an Extraordinary General Meeting held on 29 May 2001, shareholders approved the Hwa Hong Corporation Limited (2001) Share Option Scheme (the "Scheme"). The Scheme will continue in operation for a maximum period of 10 years from 29 May 2001, unless otherwise extended and subject to relevant approvals. At the 58th Annual General Meeting held on 27 April 2012, shareholders approved the extension of the Scheme for another ten years to 28 May 2021.

The principal features of the Scheme had been set out in previous years' Directors' Reports.

The Scheme is administered by the Remuneration Committee, comprising the following directors who are ineligible for the Scheme:

Huang Yuan Chiang (Chairman)  
Goh Kian Hwee  
Guan Meng Kuan

---

# Directors' Report

---

Since the commencement of the Scheme till the end of the financial year, no options have been granted to directors and employees of the Company and its subsidiaries.

## AUDIT AND RISK COMMITTEE

The Audit and Risk Committee performed, *inter alia*, the functions specified in the Companies Act, Cap. 50. The functions performed are set out in the Corporate Governance Report.

The Audit and Risk Committee has nominated Ernst & Young LLP for re-appointment as auditors at the forthcoming Annual General Meeting of the Company.

## MATERIAL CONTRACTS INVOLVING THE INTERESTS OF CHIEF EXECUTIVE OFFICER, EACH DIRECTOR OR CONTROLLING SHAREHOLDER

Since the end of the previous financial year except as disclosed in the accompanying notes, the Company and its subsidiaries did not enter into any material contracts involving the interests of the Chief Executive Officer, each director or controlling shareholder (as defined under the Listing Manual of the Singapore Exchange Securities Trading Limited) of the Company and no such material contracts subsist at the end of the financial year, except that Singapore Warehouse Company (Private) Ltd. ("SWC"), a wholly owned subsidiary, has entered into property joint ventures and related transactions with certain related corporations of Hong Leong Investment Holdings Pte. Ltd., a controlling shareholder of the Company as defined. The joint ventures relate to Hong Property Investments Pte Ltd and a residential development known as *The Pier at Robertson* in which SWC has an interest of 30% and 20% respectively.

## AUDITORS

Ernst & Young LLP have expressed their willingness to accept re-appointment as auditor.

On behalf of the board of directors,

Ong Choo Eng  
Director

Ong Mui Eng  
Director

## Statement by Directors

---

We, Ong Choo Eng and Ong Mui Eng, being two of the directors of Hwa Hong Corporation Limited, do hereby state that, in the opinion of the directors:

- (i) the accompanying balance sheets, consolidated income statement, consolidated statement of comprehensive income, statements of changes in equity and consolidated cash flow statement together with notes thereto are drawn up so as to give a true and fair view of the state of affairs of the Group and of the Company as at 31 December 2013 and the results of the business, changes in equity and cash flows of the Group and the changes in equity of the Company for the year ended on that date, and
- (ii) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

On behalf of the board of directors,

Ong Choo Eng  
Director

Ong Mui Eng  
Director

# Independent Auditor's Report

---

For financial year ended 31 December 2013

## TO THE MEMBERS OF HWA HONG CORPORATION LIMITED

### REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Hwa Hong Corporation Limited (the Company) and its subsidiaries (collectively, the Group) set out on pages 38 to 120, which comprise the balance sheets of the Group and the Company as at 31 December 2013, the statements of changes in equity of the Group and the Company and the consolidated income statement, consolidated statement of comprehensive income and consolidated cash flow statement of the Group for the year then ended, and a summary of significant accounting policies and other explanatory information.

### MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act, Chapter. 50 (the Act) and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair profit and loss accounts and balance sheets and to maintain accountability of assets.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

---

# Independent Auditor's Report

---

## OPINION

In our opinion, the consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Group and of the Company as at 31 December 2013 and the results, changes in equity and cash flows of the Group and the changes in equity of the Company for the year ended on that date.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiaries incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 2.1 *Basis of preparation*

The consolidated financial statements of the Group, and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards (FRS).

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars (SGD).

### 2.2 *Changes in accounting policies*

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Group has adopted all the new and revised standards that are effective for annual periods beginning on or after 1 January 2013. The adoption of these standards did not have any effect on the financial performance or position of the Group and the Company.

In accordance with the transition provisions of FRS 113 *Fair Value Measurement*, FRS 113 has been applied prospectively by the Group on 1 January 2013.

### 2.3 *Standards issued but not yet effective*

The Group has not adopted the following standards that have been issued but are not yet effective:

<i>Description</i>	<i>Effective for annual periods beginning on or after</i>
Revised FRS 27 <i>Separate Financial Statements</i>	1 January 2014
Revised FRS 28 <i>Investments in Associates and Joint Ventures</i>	1 January 2014
FRS 110 <i>Consolidated Financial Statements</i>	1 January 2014
FRS 111 <i>Joint Arrangements</i>	1 January 2014
FRS 112 <i>Disclosure of Interests in Other Entities</i>	1 January 2014
Amendments to FRS 32 <i>Offsetting Financial Assets and Financial Liabilities</i>	1 January 2014
Amendments to FRS 36 <i>Recoverable Amount Disclosures for Non-financial Assets</i>	1 January 2014

The directors expect that the adoption of the other standards above will have no material impact on the financial statements in the period of initial application. Specifically, the nature of the impending changes in accounting policy on adoption of FRS 111 and Revised FRS 28 are described below.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.3 Standards issued but not yet effective (cont'd)

#### FRS 111 Joint Arrangements and Revised FRS 28 Investments in Associates and Joint Ventures

FRS 111 *Joint Arrangements* and Revised FRS 28 *Investments in Associates and Joint Ventures* are effective for financial periods beginning on or after 1 January 2014.

FRS 111 classifies joint arrangements either as joint operations or joint ventures. Joint operation is a joint arrangement whereby the parties that have rights to the assets and obligations for the liabilities whereas joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.

FRS 111 requires the determination of joint arrangement's classification to be based on the parties' rights and obligations under the arrangement, with the existence of a separate legal vehicle no longer being the key factor. FRS 111 disallows proportionate consolidation and requires joint ventures to be accounted for using the equity method. The revised FRS 28 was amended to describe the application of equity method to investments in joint ventures in addition to associates.

The Group currently and will continue to apply proportionate consolidation for its joint ventures, which are joint operations, upon adoption of FRS 111. Its interests in an unincorporated joint venture and a limited liability partnership joint venture have been and will continue to be accounted for using the equity method.

### 2.4 Basis of consolidation and business combinations

#### Basis of consolidation from 1 January 2010

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.4 *Basis of consolidation and business combinations (cont'd)*

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- De-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when controls is lost;
- De-recognises the carrying amount of any non-controlling interest;
- De-recognises the cumulative translation differences recorded in equity;
- Recognises the fair value of the consideration received;
- Recognises the fair value of any investment retained;
- Recognises any surplus or deficit in profit or loss;
- Re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

#### Basis of consolidation prior to 1 January 2010

Certain of the above-mentioned requirements were applied on a prospective basis. The following differences, however, are carried forward in certain instances from the previous basis of consolidation:

- Acquisitions of non-controlling interests, prior to 1 January 2010, were accounted for using the parent entity extension method, whereby, the difference between the consideration and the book value of the share of the net assets acquired were recognised in goodwill.
- Losses incurred by the Group were attributed to the non-controlling interest until the balance was reduced to nil. Any further losses were attributed to the Group, unless the non-controlling interest had a binding obligation to cover these. Losses prior to 1 January 2010 were not reallocated between non-controlling interest and the owners of the Company.
- Upon loss of control, the Group accounted for the investment retained at its proportionate share of net asset value at the date control was lost. The carrying value of such investments as at 1 January 2010 has not been restated.

#### Business combinations from 1 January 2010

Business combinations are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.4 Basis of consolidation and business combinations (cont'd)

#### Business combinations from 1 January 2010 (cont'd)

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in accordance with FRS 39 either in profit or loss or as a change to other comprehensive income. If the contingent consideration is classified as equity, it is not remeasured until it is finally settled within equity.

In business combinations achieved in stages, previously held equity interests in the acquiree are remeasured to fair value at the acquisition date and any corresponding gain or loss is recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any), that are present ownership interests and entitle their holders to a proportionate share of net assets in the event of liquidation, is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets. Other components of non-controlling interests are measured at their acquisition date fair value, unless another measurement basis is required by another FRS.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. The accounting policy for goodwill is set out in Note 2.9. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

#### Business combinations prior to 1 January 2010

In comparison to the above mentioned requirements, the following differences applied.

Business combinations were accounted for by applying the purchase method. Transaction costs directly attributable to the acquisition formed part of the acquisition costs. The non-controlling interest (formerly known as minority interest) was measured at the proportionate share of the acquiree's identifiable net assets.

Business combinations achieved in stages were accounted for as separate steps. Adjustments to those fair values relating to previously held interests are treated as a revaluation and recognised in equity. Any additional acquired share of interest did not affect previously recognised goodwill.

When the Group acquired a business, embedded derivatives separated from the host contract by the acquiree were not reassessed on acquisition unless the business combination resulted in a change in the terms of the contract that significantly modified the cash flows that otherwise would have been required under the contract.

Contingent consideration was recognised if, and only if, the Group had a present obligation, the economic outflow was more likely than not and a reliable estimate was determinable. Subsequent adjustments to the contingent consideration were recognised as part of goodwill.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.5 *Transactions with non-controlling interests*

Non-controlling interest represents the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company.

Changes in the Company's ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. In such circumstances, the carrying amounts of the controlling and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

### 2.6 *Foreign currency*

The financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

#### (a) *Transactions and balances*

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss except for exchange differences arising on monetary items that form part of the Group's net investment in foreign operations, which are recognised initially in other comprehensive income and accumulated under foreign currency translation reserve in equity. The foreign currency translation reserve is reclassified from equity to profit or loss of the Group on disposal of the foreign operation.

#### (b) *Consolidated financial statements*

For consolidation purpose, the assets and liabilities of foreign operations are translated into Singapore dollars at the rate of exchange ruling at the end of the reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

In the case of a partial disposal without loss of control of a subsidiary that includes a foreign operation, the proportionate share of the cumulative amount of the exchange differences are re-attributed to non-controlling interest and are not recognised in profit or loss. For partial disposals of associates or jointly controlled entities that are foreign operations, the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.7 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, freehold office property, leasehold land and buildings, and furniture, motor vehicles, computers and other equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost includes the cost of purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. The cost also includes the cost of replacing part of the property, plant and equipment and borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying property, plant and equipment. The accounting policy for borrowing costs is set out in Note 2.20. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

When significant parts of property, plant and equipment are required to be replaced in intervals, the Group recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Freehold land has an unlimited useful life and therefore is not depreciated.

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Freehold office property	–	50 years
Leasehold land and buildings	–	43 to 50 years
Furniture, motor vehicles, computers and other equipment	–	3 to 15 years

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.8 *Investment properties*

Investment properties are properties that are owned by the Group to earn rentals or for capital appreciation, or both, rather than for use in the production or supply of goods or services, or for administrative purposes, or in the ordinary course of business. Investment properties comprise completed investment properties and properties that are being constructed or developed for future use as investment properties.

Investment properties are initially measured at cost, including transaction costs. The carrying amount includes the cost of replacing part of an existing investment property at the time that cost is incurred if the recognition criteria are met. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and any accumulated impairment losses.

Investment properties are subject to renovations or improvements at regular intervals. Its cost is recognised in the carrying amount of the investment property as a replacement if the recognition criteria are satisfied. Components that are replaced are derecognised and included in profit or loss. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is computed on a straight-line method over the investment properties' estimated useful lives of 50 years. Freehold land has an unlimited useful life and therefore the freehold land component of investment properties is not depreciated.

The carrying values of investment properties are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recovered. The residual value, useful life and depreciation method are reviewed, and adjusted prospectively, if appropriate.

Investment properties are derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gain or loss on the retirement or disposal of an investment property is recognised in profit or loss in the year of retirement or disposal.

### 2.9 *Intangible assets*

#### **Goodwill**

Goodwill is initially measured at cost. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to the Group's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

The cash-generating units to which goodwill have been allocated is tested for impairment annually and whenever there is an indication that the cash-generating unit may be impaired. Impairment is determined for goodwill by assessing the recoverable amount of each cash-generating unit (or group of cash generating units) to which the goodwill relates. Where the recoverable amount of the cash-generating unit is less than the carrying amount, an impairment loss is recognised in profit or loss. Impairment losses recognised for goodwill are not reversed in subsequent periods.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.9 Intangible assets (cont'd)

#### **Goodwill** (cont'd)

Where goodwill forms part of a cash-generating unit and part of the operation within that cash-generating unit is disposed of, the goodwill associated with the operation disposed of is included in the carrying amount of the operation when determining the gain or loss on disposal of the operation. Goodwill disposed of in this circumstance is measured based on the relative fair values of the operations disposed of and the portion of the cash-generating unit retained.

Goodwill and fair value adjustments arising on the acquisition of foreign operation on or after 1 January 2005 are treated as assets and liabilities of the foreign operations and are recorded in the functional currency of the foreign operations and translated in accordance with the accounting policy set out in Note 2.6.

Goodwill and fair value adjustments which arose on acquisitions of foreign operation before 1 January 2005 are deemed to be assets and liabilities of the Company and are recorded in Singapore Dollars at the rates prevailing at the date of acquisition.

### 2.10 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Group's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.10 *Impairment of non-financial assets (cont'd)*

For assets excluding goodwill, an assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Group estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

### 2.11 *Subsidiaries*

A subsidiary is an entity over which the Group has the power to govern the financial and operating policies so as to obtain benefits from its activities. The Group generally has such power when it directly or indirectly holds more than 50% of the issued share capital, or controls more than half of the voting rights, or controls the composition of the board of directors.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less impairment losses.

### 2.12 *Associates*

An associate is an entity, not being a subsidiary or a joint venture, in which the Group has significant influence. This generally coincides with the Group having 20% or more of the voting rights, or has representation on the board of directors. An associate is equity accounted for from the date the Group obtains significant influence until the date the Group ceases to have significant influence over the associate.

The Group's investments in associates are accounted for using the equity method. Under the equity method, the investment in associates is carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the associates. Goodwill relating to associates is included in the carrying amount of the investment and is neither amortised nor tested individually for impairment. Any excess of the Group's share of the net fair value of the associate's identifiable assets, liabilities and contingent liabilities over the cost of the investment is included as income in the determination of the Group's share of results of the associate in the period in which the investment is acquired.

The profit or loss reflects the share of the results of operations of the associates. Where there has been a change recognised in other comprehensive income by the associates, the Group recognises its share of such changes in other comprehensive income. Unrealised gains and losses resulting from transactions between the Group and the associate are eliminated to the extent of the interest in the associates.

The Group's share of the profit or loss of its associates is the profit attributable to equity holders of the associate and, therefore is the profit or loss after tax and non-controlling interests in the subsidiaries of associates.

When the Group's share of losses in an associate equals or exceeds its interest in the associate, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate.

---

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.12 Associates (cont'd)

After application of the equity method, the Group determines whether it is necessary to recognise an additional impairment loss on the Group's investment in its associates. The Group determines at the end of each reporting period whether there is any objective evidence that the investment in the associate is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value and recognises the amount in profit or loss.

The financial statements of the associates are prepared as of the same reporting date as the Company. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

Upon loss of significant influence over the associate, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence and the fair value of the aggregate of the retained investment and proceeds from disposal is recognised in profit or loss.

In the Company's separate financial statements, investments in associates are accounted for at cost less accumulated impairment losses.

### 2.13 Joint venture

A joint venture is a contractual arrangement whereby two or more parties undertake an economic activity that is subject to joint control, where the strategic, financial and operating decisions relating to the activity require the unanimous consent of the parties sharing control. The Group recognises its interest in the joint venture, except for its interest in an unincorporated joint venture and a limited liability partnership joint venture that have been accounted for using the equity method similar to the accounting policy for associates as disclosed in Note 2.12 above, using the proportionate consolidation method. The Group combines its proportionate share of each of the assets, liabilities, income and expenses of the joint venture with the similar items, line by line, in its consolidated financial statements. The joint venture is proportionately consolidated from the date the Group obtains joint control until the date the Group ceases to have joint control over the joint venture.

Adjustments are made in the Group's consolidated financial statements to eliminate the Group's share of intragroup balances, income and expenses and unrealised gains and losses on such transactions between the Group and its jointly controlled entity. Losses on transactions are recognised immediately if the loss provides evidence of a reduction in the net realisable value of current assets or an impairment loss.

The financial statements of the joint venture are prepared as of the same reporting date as the Company. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

Upon loss of joint control, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the former jointly controlled entity upon loss of joint control and the aggregate of the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.14 Financial instruments

#### a) Financial assets

##### Initial recognition and measurement

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. Financial assets within the scope of FRS 39 are classified as financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments and available-for-sale financial assets. The Group determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

##### Subsequent measurement

The subsequent measurement of financial assets depends on their classification.

##### *(i) Loans and receivables*

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

##### *(ii) Available-for-sale financial assets*

Available-for-sale financial assets include equity and debt securities. Equity investments classified as available-for-sale are those, which are neither classified as held for trading nor designated at fair value through profit or loss. Debt securities in this category are those which are intended to be held for an indefinite period of time and which may be sold in response to needs for liquidity or in response to changes in the market conditions.

After initial recognition, available-for-sale financial assets are subsequently measured at fair value. Any gains or losses from changes in fair value of the financial assets are recognised in other comprehensive income, except that impairment losses, foreign exchange gains and losses on monetary instruments and interest calculated using the effective interest method are recognised in profit or loss. The cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment when the financial asset is derecognised.

Investments in equity instruments whose fair value cannot be reliably measured are measured at cost less impairment loss.

##### Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.14 Financial instruments (cont'd)

#### a) Financial assets (cont'd)

##### Regular way purchase or sale of a financial asset

All regular way purchases and sales of financial assets are recognised or derecognised on the trade date i.e. the date that the Group commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace concerned.

#### b) Financial liabilities

##### Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. Financial liabilities within the scope of FRS 39 are classified as financial liabilities at fair value through profit or loss, loans and borrowings, or as derivatives designed as hedging instruments in an effective hedge. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

##### Subsequent measurement

The measurement of financial liabilities depends on their classification.

##### *Financial liabilities at amortised cost*

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

##### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

#### c) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheets, when and only when, there is a currently enforceable legal right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.15 Impairment of financial assets

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

#### (a) Financial assets carried at amortised cost

For financial assets carried at amortised cost, the Group first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

#### (b) Financial assets carried at cost

If there is objective evidence (such as significant adverse changes in the business environment where the issuer operates, probability of insolvency or significant financial difficulties of the issuer) that an impairment loss on financial assets carried at cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment losses are not reversed in subsequent periods.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.15 Impairment of financial assets (cont'd)

#### (c) Available-for-sale financial assets

In the case of equity investments classified as available-for-sale, objective evidence of impairment include (i) significant financial difficulty of the issuer or obligor (ii) information about significant changes with an adverse effect that have taken place in the technological, market, economic or legal environment in which the issuer operates, and indicates that the cost of the investment in equity instrument may not be recovered; and (iii) a significant or prolonged decline in the fair value of the investment below its costs. 'Significant' is to be evaluated against the original cost of the investment and 'prolonged' against the period in which the fair value has been below its original cost.

If an available-for-sale financial asset is impaired, an amount comprising the difference between its acquisition cost (net of any principal repayment and amortisation) and its current fair value, less any impairment loss previously recognised in profit or loss is transferred from other comprehensive income and recognised in profit or loss. Reversals of impairment losses in respect of equity instruments are not recognised in profit or loss; increase in their fair value after impairment are recognised directly in other comprehensive income.

In the case of debt instruments classified as available-for-sale, impairment is assessed based on the same criteria as financial assets carried at amortised cost. However, the amount recorded for impairment is the cumulative loss measured as the difference between the amortised cost and the current fair value, less any impairment loss on that investment previously recognised in profit or loss. Future interest income continues to be accrued based on the reduced carrying amount of the asset using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. The interest income is recorded as part of finance income. If, in a subsequent year, the fair value of a debt instrument increases and the increases can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss is reversed in profit or loss.

### 2.16 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, fixed deposits, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. These also include bank overdrafts that form an integral part of the Group's cash management.

### 2.17 Inventories

Inventories are stated at the lower of cost and net realisable value.

Costs incurred in bringing the inventories to their present location and condition are accounted for as follows:

- Raw materials: purchase costs using the weighted average cost formula.
- Finished goods: costs of direct materials and labour and a proportion of production overheads based on normal operating capacity. These costs are assigned on the weighted average cost formula.

Where necessary, allowance is provided for damaged, obsolete and slow moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.18 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

### 2.19 Transfers between levels of the fair value hierarchy

Transfers between levels of the fair value hierarchy are deemed to have occurred on the date of the event or change in circumstances that caused the transfers.

### 2.20 Borrowing costs

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use or sale. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

### 2.21 Employee benefits

#### (a) Defined contribution plans

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Singapore companies in the Group make contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

#### (b) Employee leave entitlement

Employee entitlements to annual leave are recognised as a liability when they accrue to the employees. The estimated liability for leave is recognised for services rendered by employees up to the end of the reporting period.

### 2.22 Leases

The determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at inception date: whether fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

Leases where the Group retains substantially all the risks and rewards of ownership of the asset are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same bases as rental income. The accounting policy for rental income is set out in Note 2.24. Contingent rents are recognised as revenue in the period in which they are earned.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.23 Non-current assets held for sale and discontinued operations

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset or disposal group is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification. A component of the Group is classified as a 'discontinued operation' when the criteria to be classified as held for sale have been met or it has been disposed of and such a component represents a separate major line of business or geographical area of operations or is part of a single coordinated plan to dispose of a separate major line of business or geographical area of operations.

In profit or loss of the current reporting period, and of the comparative period of the previous year, all income and expenses from discontinued operations are reported separately from income and expenses from continuing operations, down to the level of profit after taxes, even when the Group retains a non-controlling interest in the subsidiary after the sale. The resulting profit or loss (after taxes) is reported separately in profit or loss.

Property, plant and equipment and investment properties once classified as held for sale are not depreciated or amortised.

### 2.24 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty. The Group assesses its revenue arrangements to determine if it is acting as principal or agent. The Group has concluded that it is acting as a principal in all of its revenue arrangements. The following specific recognition criteria must also be met before revenue is recognised:

#### (a) Sale of goods

Revenue from sale of goods is recognised upon the transfer of significant risk and rewards of ownership of the goods to the customer, usually on delivery of goods. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

#### (b) Rendering of services

Revenue from rendering of management, administrative and support services to related companies is recognised when the services are rendered and is computed at 5% of total operating expenses incurred in performing the services.

#### (c) Interest income

Interest income is recognised using the effective interest method.

#### (d) Dividend income

Dividend income is recognised when the Group's right to receive payment is established.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.24 Revenue *(cont'd)*

#### (e) Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms. The aggregate costs of incentives provided to lessees are recognised as a reduction of rental income over the lease term on a straight-line basis.

#### (f) Sale/redemption of investment securities

Revenue from sale/redemption of investment securities is recognised on trade date.

### 2.25 Taxes

#### (a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of the reporting period, in the countries where the Group operates and generates taxable income.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### (b) Deferred tax

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

### 2.25 Taxes (cont'd)

#### (b) Deferred tax (cont'd)

- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current income tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Tax benefits acquired as part of a business combination, but not satisfying the criteria for separate recognition at that date, would be recognised subsequently if new information about facts and circumstances changed. The adjustment would either be treated as a reduction to goodwill (as long as it does not exceed goodwill) if it incurred during the measurement period or in profit or loss.

#### (c) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.26 Segment reporting

For management purposes, the Group is organised into operating segments based on their products and services which are independently managed by the respective segment managers responsible for the performance of the respective segments under their charge. The segment managers report directly to the management of the Company who regularly review the segment results in order to allocate resources to the segments and to assess the segment performance. Additional disclosures on each of these segments are shown in Note 34, including the factors used to identify the reportable segments and the measurement basis of segment information.

### 2.27 Share capital and share issuance expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

### 2.28 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

### 2.29 Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Group and Company if that person:
  - (i) Has control or joint control over the Company;
  - (ii) Has significant influence over the Company; or
  - (iii) Is a member of the key management personnel of the Group or Company or of a parent of the Company.

---

# Notes to the Financial Statements

---

31 December 2013

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(cont'd)*

### 2.29 *Related parties (cont'd)*

- (b) An entity is related to the Group and the Company if any of the following conditions applies:
- (i) The entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
  - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
  - (iii) Both entities are joint ventures of the same third party.
  - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - (v) The entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company;
  - (vi) The entity is controlled or jointly controlled by a person identified in (a);
  - (vii) A person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

## 3. SIGNIFICANT ACCOUNTING JUDGMENTS AND ESTIMATES

The preparation of the Group's consolidated financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period.

### 3.1 *Judgments made in applying accounting policies*

In the process of applying the Group's accounting policies, management has made the following judgments, apart from those involving estimations, which have the most significant effect on the amounts recognised in the consolidated financial statements:

#### **(a) Impairment of available-for-sale investments**

The Group records impairment charges on available-for-sale equity investments when there has been a significant or prolonged decline in the fair value below their cost. The determination of what is "significant" or "prolonged" requires judgment. In making this judgment, the Group evaluates, among other factors, historical share price movements and the duration and extent to which the fair value of an investment is less than its cost. For the financial year ended 31 December 2013, the amount of impairment loss recognised for available-for-sale financial assets was \$1,381,405 (2012: \$288,659). The carrying amount of available-for-sale equity investments as at 31 December 2013 was \$43,598,756 (2012: \$40,063,649).

---

# Notes to the Financial Statements

---

31 December 2013

## 3. SIGNIFICANT ACCOUNTING JUDGMENTS AND ESTIMATES *(cont'd)*

### 3.1 *Judgments made in applying accounting policies (cont'd)*

#### **(b) Income taxes**

The Group has exposure to income taxes in several jurisdictions. Significant judgment is involved in determining the Group-wide provision for income taxes. There are certain transactions and computations for which the ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities for expected tax issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made. The carrying amount of the Group's income tax payables and deferred tax liabilities at 31 December 2013 were \$1,846,440 (2012: \$2,021,491) and \$5,129,995 (2012: \$3,776,168) respectively.

### 3.2 *Key sources of estimation uncertainty*

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

#### **(a) Fair value of financial instruments**

Where the fair values of financial instruments recorded on the balance sheet cannot be derived from active markets, they are determined using valuation techniques including the discounted cash flow model. The inputs to these models are derived from observable market data where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. The judgments include considerations of liquidity and model inputs regarding the future financial performance of the investee, its risk profile, and economic assumptions regarding the industry and geographical jurisdiction in which the investee operates. Changes in assumptions about these factors could affect the reported fair value of financial instruments. The valuation of financial instruments is described in more detail in Note 36.

#### **(b) Loans and receivables**

Management reviews its loans and receivables for objective evidence of impairment at least quarterly. Significant financial difficulties of the debtor, the probability that the debtor will enter bankruptcy, and default or significant delay in payments are considered objective evidence that a receivable is impaired. In determining this, management makes judgement as to whether there is observable data indicating that there has been a significant change in the payment ability of the debtor, or whether there have significant changes with adverse effect in the technological, market, economic or legal environment in which the debtor operates.

Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for the assets with similar credit risk characteristics. The carrying amount of the Group's loans and receivables at the end of the reporting period is disclosed in Note 36 to the financial statements. The estimates and judgments are however not expected to have a significant risk of causing a material adjustment to the carrying amount of loan and receivables as disclosed in the notes to the financial statements within the next financial year.

Withholding tax expense	1.43	-
Deferred tax assets not recognised	12.60	0.06
Effect of tax due to different jurisdiction	0.12	-
Effect of partial tax exemption and tax relief	(0.01)	-
Share of results of associates and joint ventures	9.06	25.94
Others	0.32	3.37
Effective tax rate	12.30	(11.53)

# Notes to the Financial Statements

31 December 2013

## 11. DISCONTINUED OPERATION AND DISPOSAL GROUP CLASSIFIED AS HELD FOR SALE

On 23 December 2013, the Company announced that it had entered into a sale and purchase agreement with two parties in relation to the proposed disposal of a wholly-owned subsidiary, Phratra Sdn Bhd ("Phratra") for a cash consideration of approximately \$6.6 million. The decision was made so as to enable the Group to realise the value from its investment in Phratra and thereby allow the Group to make more efficient use of capital.

As at 31 December 2013, the assets and liabilities related to Phratra have been presented in the balance sheet as "Assets of disposal group classified as held for sale" and "Liabilities directly associated with the disposal group classified as held for sale", and its results are presented separately on profit or loss as "(Loss)/profit from discontinued operation, net of tax". The disposal of Phratra was completed on 17 February 2014.

### Balance sheet disclosures

The major classes of assets and liabilities of Phratra classified as held for sale as at 31 December are as follows:

	2013	Group	2012
	\$		\$
<b>Assets:</b>			
Investment properties (Note 16)	3,363,239		–
Prepayments and deposits	868		–
Cash and bank balances	12,974		–
Loss recognised on re-measurement to fair value less cost to sell	(200,000)		–
Assets of disposal group classified as held for sale	<u>3,177,081</u>		–
<b>Liabilities:</b>			
Other payables	(4,744)		–
Accrued operating expenses	(35,295)		–
Liabilities directly associated with disposal group classified as held for sale	<u>(40,039)</u>		–
Net assets of disposal group classified as held for sale	<u>3,137,042</u>		–
<b>Reserve:</b>			
Currency translation reserves	<u>(3,436,564)</u>		–

Immediately before the classification of Phratra as a discontinued operation, the recoverable amount was estimated for investment properties and a reversal of impairment loss amounting to \$99,324 (2012: \$427,964) was identified. Following the classification, an impairment loss of \$200,000 (2012: \$Nil) was recognised to reduce the carrying amount of the assets in the disposal group to the fair value less costs to sell. This amount was included as part of the "Loss from discontinued operation, net of tax". The impairment loss arose as a result of lower fair value due to currency translation loss.

# Notes to the Financial Statements

31 December 2013

## 11. DISCONTINUED OPERATION AND DISPOSAL GROUP CLASSIFIED AS HELD FOR SALE (cont'd)

### Income statement disclosures

The results of Phratra for the year ended 31 December are as follows:

	<b>2013</b>	<b>Group</b>	<b>2012</b>
	<b>\$</b>		<b>\$</b>
Revenue	15,755		41,629
Other income	100,495		2,623
Expenses	(85,806)		358,540
Profit from operation	30,444		402,792
Loss recognised on remeasurement to fair value less costs to sell	(200,000)		–
(Loss)/profit before tax from discontinued operation	(169,556)		402,792
Taxation related to loss from ordinary activities of the discontinued operation	606		(132)
(Loss)/profit from discontinued operation, net of tax	(168,950)		402,660

The following items have been included in arriving at (loss)/profit before tax from discontinued operation:

	<b>2013</b>	<b>Group</b>	<b>2012</b>
	<b>\$</b>		<b>\$</b>
Reversal of impairment loss of investment properties	99,324		427,964
Interest income from deposits with financial institutions	1,172		2,623

### Cash flow statement disclosures

The cash flows attributable to Phratra are as follows:

	<b>2013</b>	<b>Group</b>	<b>2012</b>
	<b>\$</b>		<b>\$</b>
Operating	(89,166)		(28,074)
Investing	1,160		2,600
Net cash outflows	(88,006)		(25,474)

# Notes to the Financial Statements

## 12. EARNINGS PER SHARE

### (a) Continuing operations

Basic earnings per share from continuing operations are calculated by dividing the profit from continuing operations, net of tax, attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the year. There is no dilution to earnings per share from conversion of dilutive potential ordinary shares into ordinary shares as no options have been granted under the Hwa Hong Corporation Limited (2001) Share Option Scheme.

The following tables reflect the profit and share data used in the computation of basic and diluted earnings per share for the years ended 31 December:

	2013 \$	Group	2012 \$
Profit for the year attributable to owners of the Company	8,628,316		7,050,718
Add/(less): Loss/(profit) from discontinued operation, net of tax, attributable to owners of the Company	168,950		(402,660)
Profit from continuing operations, net of tax, attributable to owners of the Company used in the computation of basic and diluted earnings per share	<u>8,797,266</u>		<u>6,648,058</u>
Weighted average number of ordinary shares for basic and diluted earnings per share computation	<u>653,504,000</u>		<u>653,504,000</u>

### (b) Discontinued operation

Basic and diluted loss per share from discontinued operation (2012: earnings per share from discontinued operation) are calculated by dividing the loss from discontinued operation, net of tax, attributable to owners of the Company (2012: profit from discontinued operation, net of tax, attributable to owners of the Company) by the weighted average number of ordinary shares outstanding during the year. These profit and share data are presented in the tables in Note 12(a) above.

### (c) Earnings per share computation

Basic and diluted earnings per share are calculated by dividing the profit for the year attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the year. These profit and share data are presented in the tables in Note 12(a) above.

# Notes to the Financial Statements

31 December 2013

## 13. SHARE CAPITAL

**Group and Company**  
**2013 and 2012**  
**No. of shares                      \$**

### Issued and fully paid ordinary shares

Balance at the beginning and end of the year	653,504,000	172,153,626
--	-------------	-------------

The holders of ordinary shares are entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restrictions. The ordinary shares have no par value.

#### *Share repurchase*

At the Extraordinary General Meeting held on 7 November 2003, shareholders approved the grant of a general mandate to enable the Company to purchase or otherwise acquire its issued ordinary shares (the "Share Purchase Mandate"). The terms of the Share Purchase Mandate were set out in the Company's Circular to Shareholders dated 15 October 2003. The Share Purchase Mandate was renewed on 19 April 2013. The Company did not repurchase any shares during the financial year.

## 14. RESERVES

	<b>Group</b>		<b>Company</b>	
	<b>2013</b>	<b>2012</b>	<b>2013</b>	<b>2012</b>
	<b>\$</b>	<b>\$</b>	<b>\$</b>	<b>\$</b>
Revenue reserve	32,427,325	30,334,049	9,311,090	18,146,097
Capital reserve	1,308,350	1,464,897	–	–
Fair value reserve	10,872,374	8,584,223	–	–
Currency translation reserve	(14,824,602)	(15,490,981)	–	–
	<u>29,783,447</u>	<u>24,892,188</u>	<u>9,311,090</u>	<u>18,146,097</u>

Capital reserve represents unrealised revaluation gain pertaining to certain properties purchased from an associate.

Fair value reserve represents the cumulative fair value changes, net of tax, of available-for-sale financial assets until they are disposed of or impaired.

Currency translation reserve represents exchange differences arising from the translation of the financial statements of foreign operations whose functional currencies are different from that of the Group's presentation currency.

The Group's leasehold land and buildings are mortgaged to secure the Group's banking facilities, which have not been utilised as at 31 December 2013 and 2012.

### Impairment of assets

During the year, the Group carried out a review of the recoverable amounts of its plant and equipment as it plans to reposition a service office in the United Kingdom to a long-term lease. An impairment loss of \$215,082 (2012: \$Nil), representing the write off of this asset, was recognised in "other operating costs" (Note 8) line item of profit or loss for year ended 31 December 2013.

## 16. INVESTMENT PROPERTIES (cont'd)

	2013	Group 2012
	\$	\$
Rental income from investment properties		
- Continuing operations	9,045,481	5,392,878
- Discontinued operation	15,755	41,629
Direct operating expenses (including depreciation, repairs and maintenance) arising from rental generating properties		
- Continuing operations	4,978,016	4,143,543
- Discontinued operation	48,850	42,837
Market value of investment properties	<u>209,891,216</u>	<u>172,659,000</u>

The investment properties held by the Group, which are all rental generating, are disclosed in Note 35 to the financial statements. During the year, the Group made additions and alterations to its existing investment properties. The remaining capital expenditure commitments are disclosed in Note 32(b) to the financial statements.

### Valuation of the investment properties

Investment properties are measured at cost less accumulated depreciation and any accumulated impairment losses. Valuation of investment properties is performed for disclosure purposes and impairment assessments. The Group has a policy to obtain external, independent valuations for its properties once every three years. Directors' valuations are carried out annually.

Fair values are based on market values, being the estimated amount for which a property could be exchanged on the date of the valuation between a willing buyer and a willing seller in an arm's length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently and without compulsion.

For valuations performed by external valuation experts, the Group reviews the appropriateness of the valuation methodologies and assumptions adopted. The Group also evaluates the appropriateness and reliability of the inputs (including those developed internally by the Group) used in the valuations.

Significant changes in fair value measurements from period to period are evaluated for reasonableness. Key drivers of the changes are identified and assessed for reasonableness against relevant information from independent sources, or internal sources if necessary and appropriate.

The CFO documents and reports its analysis and results of the valuation to the Audit Committee on a quarterly basis, in line with the Group's quarterly reporting dates.

## 16. INVESTMENT PROPERTIES (cont'd)

### Valuation of the investment properties (cont'd)

During the year, valuations were performed by PA International Property Consultants Sdn Bhd, Gerald Eve LLP and Colliers International for a property in Malaysia, three properties in United Kingdom and a property in Singapore (2012: PA International Property Consultants Sdn Bhd, Gerald Eve LLP, Allied Appraisal Consultants Pte Ltd and Richard Susskind & Co for a property in Malaysia, three properties in United Kingdom, a property in Singapore and six properties in United Kingdom), respectively. These independent valuers have recognised and relevant professional qualification with relevant experience in the location and category of the properties being valued. These valuations are based on comparable market transactions that consider the sales of similar properties that have been transacted in the open market. The valuations are reassessed by directors as at year end, using recent transacted prices and/or applying a yield that reflects the specific risk inherent in the net cash flows expected to be received from renting out the properties.

Valuation for the remaining properties were performed by directors as at year end, using recent transacted prices and/or applying a yield that reflects the specific risk inherent in the net cash flows expected to be received from renting out the properties.

An impairment loss of \$2,892,551, representing the change in market value over the carrying value of certain properties in the United Kingdom was recognised in "Other operating costs" (Note 8) line of profit or loss for the year ended 31 December 2012. Impairment loss of \$99,324 (2012: \$1,453,297) previously recognised in the profit and loss was reversed for the year end 31 December 2013 to reflect the change in market value over the carrying value of a property in Malaysia (2012: a property in Malaysia and certain properties in United Kingdom).

### Properties pledged as security

Investment properties amounting to \$14,220,953 (2012: \$15,492,860) in Singapore are mortgaged and their rental income assigned to a bank to secure bank loans. The bank loans were fully repaid in 2011.

## 17. INVESTMENT IN SUBSIDIARIES (cont'd)

Following the proposed disposal of Phrata (Note 11), net cost of investment in Phratra amounting to \$3,098,730 (2012: \$Nil) was reclassified to assets of disposal group classified as held for sale in the balance sheet of the Company.

Amounts due from a subsidiary were non-trade related, unsecured, non-interest bearing, repayable upon demand and were to be settled in cash. On 29 November 2013, the Company subscribed for additional 200,000 ordinary shares in this wholly owned subsidiary, Hwa Hong Edible Oil Industries Pte Ltd which were satisfied through the capitalisation of these amounts.

During the financial year, management performed an impairment test for the investment in Hwa Hong Edible Oil Industries Pte Ltd. An impairment loss of \$1,416,603 (2012: \$Nil) was recognised to write down this subsidiary to its recoverable amount. The recoverable amount has been determined based on fair value less costs to sell of the underlying assets of the subsidiary, which largely comprises quoted equity securities. The fair value less costs to sell was derived from the quoted prices of the equity securities.

The Group disposed of its 82% interests in Capital Glasgow Limited ("Capital Glasgow"), as well as its related joint venture, on 1 October 2013 for a cash consideration of 1 Pound Sterling (equivalent to \$2).

The value of assets and liabilities of Capital Glasgow and its related joint venture recorded in the consolidated financial statements as at 1 October 2013, and the cash flow effect of the disposal were.

## 20. INVESTMENT SECURITIES (cont'd)

Unquoted equity and unincorporated joint venture stated at cost are not listed on any markets and their fair value cannot be reliably measured using valuation techniques. The Group and the Company have no intention to dispose of its interests in these investments.

Included in the available-for-sale quoted non-equity investments and unquoted equity investments are amounts of \$3,571,600 (2012: \$3,482,851) and \$1,783,746 (2012: \$2,429,832) denominated in Sterling Pound and United States Dollar, respectively.

### Unquoted equity investments

Included in unquoted equity investments is an amount of \$7,862,470 relating to an investment in a Cayman Island exempt limited partnership, which holds a 6-storey prime freehold residential building located on Allen Street, London, United Kingdom.

### Unincorporated joint venture

Unincorporated joint venture relates to the Group's interest in a joint venture residential development with a related company of a substantial shareholder of the Company, Hong Leong Investment Holdings Pte. Ltd. The Group's interest in the joint venture is 20%. Included in unincorporated joint venture is an amount of \$225,149 (2012: \$177,007) relating to the Group's share of its revenue reserve.

The summarised financial information of the unincorporated joint venture are as follows:

	<b>2013</b>	<b>2012</b>
	<b>\$'000</b>	<b>\$'000</b>
<b>Assets and liabilities</b>		
Current assets	2,217	2,252

Net assets	<u>1,126</u>	<u>1,160</u>
<b>Results</b>		
Revenue	–	–
(Loss)/profit for the year	<u>(34)</u>	<u>428</u>

### Unquoted debt instruments

On 1 October 2010, the Group subscribed for convertible loan notes (the "Notes") with an aggregate principal amount of \$2,000,000 issued by a company controlled by a director (the "Issuer") for an aggregate consideration of \$1,800,000. During the financial year, the Group recognised interest income of \$182,845 (2012: \$214,059) based on effective interest rate of 10.7% (2012: 10.7%) per annum.

On 18 July 2012, the Group subscribed for additional convertible loan notes (the "Notes") with an aggregate principal amount of \$2,000,000 from the Issuer for an aggregate consideration of \$2,000,000. During the financial year, the Group recognised interest income of \$90,948 (2012: \$60,776) based on effective interest rate of 6.08% (2012: 6.5%) per annum.

# Notes to the Financial Statements

31 December 2013

## 20. INVESTMENT SECURITIES (cont'd)

### Unquoted debt instruments (cont'd)

Following the successful initial public offer of the Issuer's subsidiary on 7 October 2013, the Notes were converted to 24,452,384 ordinary shares in the capital of the Issuer's subsidiary. Notwithstanding that Singapore Exchange Securities Trading Limited has waived the moratorium requirements for promoters under the Catalist Rules applicable to the Group, the Group has, as required by the sponsor of the Issuer's subsidiary, undertaken to the sponsor, that it will not without the prior consent of the sponsor, sell any part of its interest in the 24,452,384 ordinary shares from the date of issue of the ordinary shares to the Group, until the date falling six months after the date of admission of the Issuer's subsidiary to Catalist. Net carrying value of these ordinary shares as at 31 December 2013 amounts to \$4,156,905 (2012: \$Nil) and is included in quoted equity investments.

### Impairment losses

During the financial year, the Group recognised impairment loss of \$1,381,405 (2012: \$252,375) for quoted equity investments as there were "significant" or "prolonged" decline in the fair value of these investments below their costs. The Group has treated "significant" generally as 30% and "prolonged" as greater than 12 months. In 2012, the Group also recognised impairment loss of \$36,284 for unquoted equity investment to write down its carrying value in this investment to its net asset value.

# Notes to the Financial Statements

31 December 2013

## 21. OTHER RECEIVABLES (cont'd)

### Deposits receivable

Amount pertains to tenant's deposits receivable from agents and is repayable on demand.

### Amounts receivable from joint ventures

The amounts are interest-free, repayable on demand and to be settled in cash and are secured by way of legal mortgage over investment properties of these joint ventures in United Kingdom, including the joint venture partner's share of the properties. At 31 December 2013, the carrying amount of these properties was \$27,738,155 (2012: \$27,202,622).

### Interest receivable on loan to an associate

The amount relates to interest receivable on a shareholders' loan of \$2 million (2012: \$2 million) given to an associate (Note 18). In 2012, all parties agreed to vary the interest rate from 20% to 5% per annum retrospectively, following an exercise to determine the appropriate market interest rate for the loan, resulting in a reversal of interest receivable of \$11,243,623 to profit or loss. Accordingly, the Group's share of results of associates in 2012 increased correspondingly by the same amount, arising from the reduction in interest payable by the associate. The revision of interest rate has no overall net impact to the net results of the Group.

### Deferred rental receivable

This amount relates to rental income from an investment property, which a subsidiary has entered into a 15-year commercial property lease and granted the lessee a 7-month rent free period.

### Receivables that are impaired

The Group's other receivables that are impaired at the end of the reporting period and the movement of the allowance accounts used to record the impairment are as follows:

	<b>Group</b>	
	<b>2013</b>	<b>2012</b>
	<b>\$</b>	<b>\$</b>
Trade receivables, nominal amounts	485,182	–
Allowance for doubtful debts	(485,182)	–
	<hr/>	<hr/>
	–	–
Movement of allowance for doubtful debts:		
At 1 January	–	–
Charge for the year	485,182	–
Written back	–	–
At 31 December	<hr/> <hr/>	<hr/> <hr/>
	485,182	–

At the end of the reporting period, the Group determined that a other receivable of \$485,182 (2012: \$Nil) to be impaired following an assessment to determine collectability of the debt. This receivable is not secured by any collateral or credit enhancements.

# Notes to the Financial Statements

31 December 2013

## 22. INVENTORIES

	Group	
	2013	2012
	\$	\$
Raw materials	2,098	66
Finished goods	2,017	4,547
Total inventories at lower of cost and net realisable value	4,115	4,613

## 23. TRADE RECEIVABLES

	Group	
	2013	2012
	\$	\$
Trade receivables	271,390	969,588
Allowance for doubtful debts	(791)	–
	270,599	969,588

Trade receivables are non-interest bearing and are generally on 30 to 90 days' terms. They are recognised at their original invoice amounts which represent their fair values on initial recognition.

In 2012, amounts of \$101,957 denominated in Euro dollars were included in trade receivables.

### Receivables that are past due but not impaired

The Group has trade receivables amounting to \$4,741 (2012: \$41,014) that are past due at the end of the reporting period but not impaired. These receivables are unsecured and the analysis of their aging at the end of the reporting period is as follows:

	Group	
	2013	2012
	\$	\$
Trade receivables past due but not impaired:		
Less than 30 days	3,525	38,111
31 to 60 days	1,216	–
More than 120 days	–	2,903
	4,741	41,014

# Notes to the Financial Statements

31 December 2013

## 23. TRADE RECEIVABLES (cont'd)

### Receivables that are impaired

The Group's trade receivables that are impaired at the end of the reporting period and the movement of the allowance accounts used to record the impairment are as follows:

	<b>Group</b>	
	<b>2013</b>	<b>2012</b>
	<b>\$</b>	<b>\$</b>
Trade receivables, nominal amounts	791	–
Allowance for doubtful debts	(791)	–
	<u>–</u>	<u>–</u>
Movement of allowance for doubtful debts:		
At 1 January	–	(5,137)
Charge for the year	791	–
Written back	–	5,137
At 31 December	<u>791</u>	<u>–</u>

At the end of the reporting period, the Group determined that a trade receivable of \$791 (2012: \$Nil) to be impaired as the debtor has ceased business operations and defaulted on payment. This receivable is not secured by any collateral or credit enhancements.

## 24. CASH AND BANK BALANCES

	<b>Group</b>		<b>Company</b>	
	<b>2013</b>	<b>2012</b>	<b>2013</b>	<b>2012</b>
	<b>\$</b>	<b>\$</b>	<b>\$</b>	<b>\$</b>
Fixed deposits	39,750,872	40,410,146	6,062,851	12,190,345
Cash at bank and on hand	12,773,294	11,417,023	2,274,412	176,018
	<u>52,524,166</u>	<u>51,827,169</u>	<u>8,337,263</u>	<u>12,366,363</u>
Included in above are:				
Fixed deposits pledged for banking facilities	<u>17,340,000</u>	<u>17,340,000</u>	–	–

Fixed deposits are made for varying periods of between one month and three months, depending on the immediate cash requirements of the Group and the Company, and earn interests at the respective fixed deposit rates. The effective interest rates at 31 December 2013 were in the range of 0.05% to 0.35% (2012: 0.2% to 0.35%) per annum.

# Notes to the Financial Statements

31 December 2013

## 25. PROPERTIES CLASSIFIED AS HELD FOR SALE

On 20 December 2013, an option to purchase 99 Robertson Quay #28-14 Rivergate Singapore 238235 was issued to the buyer at an agreed sale price of \$2,210,000. The option was exercised by the buyer on 3 January 2014 and the sale was completed in February 2014.

In 2012, an option to purchase 93 Robertson Quay #36-03 Rivergate Singapore 238235 was exercised by the buyer at an agreed sale price of \$3,160,000. The sale was completed on 11 January 2013.

The net book value of the above properties and related fixtures and fittings have been reclassified to properties held for sale as follows:

	Group	
	2013	2012
	\$	\$
Property, plant and equipment (Note 15)	654	2,038
Investment properties (Note 16)	1,037,436	1,448,805

## 27. OTHER PAYABLES (cont'd)

Included in other deposits is an amount of \$3,321,630 (2012: \$Nil) relating to a 50% deposit received in relation to the proposed disposal of Phratra (Note 11).

Sundry payables are non-interest bearing and have an average term of 60 days.

Other payables denominated in foreign currencies as at 31 December are as follows:

	Group		Company	
	2013 \$	2012 \$	2013 \$	2012 \$
Chinese Renminbi	526,015	341,555	–	–
Malaysia Ringgit	2,010,930	–	2,010,930	–

## 28. BANK LOANS (SECURED)

	Group	
	2013 \$	2012 \$
<i>Current</i>		
- Short-term Singapore Dollar bank loans	1,100,000	4,000,000
- Short-term Sterling Pound bank loan	27,890,129	15,159,760
Total bank loans	28,990,129	19,159,760

Short-term Singapore Dollar bank loans comprise:

- A revolving Singapore Dollar loan of \$1,100,000 (2012: \$1,100,000) granted to a subsidiary. The loan is secured by an existing corporate guarantee of \$4,000,000 (2012: \$4,000,000) from another subsidiary and bears interests at swap rate plus 1.375% (1.375%) per annum.
- A revolving Singapore Dollar loan of \$2,900,000 was granted to another subsidiary. The loan was secured by a legal charge of \$4,000,000 over the subsidiary's fixed deposits and bears interest at swap rate plus 1.8% per annum. The loan was fully repaid during the year.

Short-term Sterling Pound bank loans comprise:

- A revolving Sterling Pound loan of \$19,799,608 (2012: \$15,159,760) granted to a subsidiary. The loan is secured by a corporate guarantee of \$6,660,000 (2012: \$6,660,000) from the holding company and a legal charge of \$13,340,000 (2012: \$13,340,000) million over the subsidiary's fixed deposits. The loan bears interest at swap rate plus 1.8% (2012: 1.8%) per annum.
- A revolving Sterling Pound loan of \$8,090,521 (2012: Nil) is granted by another bank to the same subsidiary. The loan is secured by a legal charge of \$4,000,000 over the subsidiary's fixed deposits and bears interest at swap rate plus 1.1% - 1.8% per annum.

Under the terms and conditions of the respective loans, these subsidiaries are prohibited from lifting the fixed deposits or subjecting it to further charges without furnishing a replacement security of similar value.

Accrued interest income	(1,735,587)	(1,566,125)	169,462	(1,916,145)
Deferred rental income	(497,083)	–	497,083	–
	<u>(5,244,700)</u>	<u>(3,776,168)</u>		
Net deferred tax liabilities	<u>(5,129,995)</u>	<u>(3,776,168)</u>		
Deferred tax expense			<u>659,287</u>	<u>(1,856,483)</u>

### Unrecognised tax losses

As the end of the reporting period, the Group has tax losses of approximately \$13,199,000 (2012: \$15,700,000) that are available for offset against future taxable profits of the companies in which the losses arose, for which no deferred tax asset is recognised due to uncertainty of its recoverability. The use of these tax losses is subject to the agreement of the tax authorities and compliance with certain provisions of the tax legislation of the respective countries in which the companies operate.

### Tax consequences of proposed dividends

There are no income tax consequences (2012: nil) attached to the dividends to the shareholders proposed by the Company but not recognised as a liability in the financial statements (Note 30).

## 30. DIVIDENDS

	Group	
	2013 \$	2012 \$
In respect of financial year ended 31 December 2011:		
- Final exempt (one-tier) dividend of 1.00 cents per share	–	6,535,040

# Notes to the Financial Statements

31 December 2013

## 32. COMMITMENT AND CONTINGENCIES (cont'd)

### (c) Contingent asset

In April 2013, one of the Group's joint ventures (the "JV") granted a 125 year lease on the site of the former post office building in Fitzalan Square, Sheffield, United Kingdom (the "Site") as part of the redevelopment of the Site.

Concurrently, the lessee of the Site, the JV and the development manager of the site ("DM") have entered into agreements for the redevelopment of the Site ("Agreements") and the Group opined that the Agreements were integral to the 125 year lease as the lease would not have been granted had the Agreements not been put in place.

Pursuant to the Agreements, the funds required for the redevelopment of the Site is to be provided by the lessee and the JV will be entitled to up to GBP2.16 million in the event the Site is refinanced or disposed of in the future following its redevelopment.

Given the uncertainty in relation to (i) the future value of the Site post-development; (ii) the refinancing terms achievable post-completion; and (iii) the possible sale of the redeveloped Site post-completion, the directors believe that it is not virtually certain that a profit will be realised. Hence, no contingent asset is recognised at the end of the reporting period.

### (d) Operating lease commitments - As lessor

The Group has entered into residential and commercial property leases on its investment property portfolio. These non-cancellable leases have remaining non-cancellable lease terms of between 1 and 15 years (2012: 1 and 10 years). All leases include a clause to enable upward revision of the rental charge on an annual basis based on prevailing market conditions.

Future minimum lease payments receivable under non-cancellable operating leases as at 31 December are as follows:

	Group	
	2013	2012
	\$	\$
Within one year	5,250,634	2,437,750
Between one year and five years	18,086,794	1,102,958
Later than 5 years	47,780,165	–
	<u>71,117,593</u>	<u>3,540,708</u>

# Notes to the Financial Statements

31 December 2013

## 33. DIRECTORS' REMUNERATION

The number of directors of the Company whose emoluments fall within the following bands is as follows:

	2013	2012
\$500,000 to \$749,999	1	1
\$250,000 to \$499,999	–	2
Below \$250,000	8	6
	<u>9</u>	<u>9</u>

Remuneration of an alternate director who resigned on 20 April 2013 is included in the "below \$250,000" band.

## 34. GROUP SEGMENTAL INFORMATION

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Management has determined the operating segments based on the reports reviewed by the chief operating decision maker to make decisions about allocation of resources and assessment of performance.

During the year, the Group changed the structure of the components that management uses to make decisions about operating matters. The segment information for earlier periods has been restated to be in conformity with these changes. As part of this realignment, investment activities previously included in "rental and investment" and "trading and investment" segments have been aggregated into the "Investments" segment. Trading activities in "trading and investment" segment have been shifted to "Corporate and others" segment.

Subsequent to the above changes, the Group has three reportable segments, as described below, which are the Group's strategic business units. The strategic units offer different products and services and are managed separately because they require different strategies.

The following summary describes the operations in each of the Group's reportable segments:

- Rental: rental of residential, commercial properties and warehouse
- Investments: investment holding
- Corporate and others: packing and trading of edible oils as well as investment holding.

The accounting policies of the operating segments are the same as those described in the summary of significant accounting policies. All assets and liabilities are allocated to reportable segments.

For purposes of monitoring segment performance and allocating resources between segments, the chief operating decision maker monitors performance based on segment profit before income tax. Segment profit is measured as management believes information is useful in evaluating the results of certain segments relative to other entities that operate within these industries. The segment transactions are determined on an arm's length basis.

There are no asymmetrical allocations to reportable segments. Transfer prices between operating segments are on an arms' length basis in a manner similar to transactions with third parties.

Unallocated items such as cash at bank, bank loans, provision for tax, deferred taxation, group financing (including finance costs), income tax and certain foreign exchange differences are managed on a group basis and are not allocated to operating segments.

## 34. GROUP SEGMENTAL INFORMATION (cont'd)

Notes Nature of adjustments and eliminations to arrive at amounts reported in the consolidated financial statements.

A. Amounts relating to Phratra have been excluded on consolidation as they are presented separately in the income statement within one line item, '(loss)/profit from discontinued operation, net of taxation'.

B. Inter-segment revenues are eliminated on consolidation.

C. The following items are added to/(deducted from) segment profit to arrive at "profit before tax from continuing operations" presented in the consolidated income statements:

	<b>2013</b>	<b>2012</b>
	<b>\$</b>	<b>\$</b>
Segment results of discontinued operation	169,556	(402,792)
Finance costs	(311,132)	(402,021)
Unallocated expenses	642,385	(450,976)
	<u>500,809</u>	<u>(1,255,789)</u>

D. Additions to non-current assets consist of additions to property, plant and equipment and investment properties.

E. The following items are added to/(deducted from) segment assets to arrive at total assets reported in the consolidated balance sheet:

	<b>2013</b>	<b>2012</b>
	<b>\$</b>	<b>\$</b>
Cash and bank balances	52,524,166	51,827,169
Inter-segment assets	(232,371,743)	(230,486,043)
	<u>(179,847,577)</u>	<u>(178,658,874)</u>

F. The following items are added to/(deducted from) segment liabilities to arrive at total liabilities reported in the consolidated balance sheet:

	<b>2013</b>	<b>2012</b>
	<b>\$</b>	<b>\$</b>
Bank loans	28,990,129	19,159,760
Income tax payable	1,846,440	2,021,491
Deferred tax liabilities	5,129,995	3,776,168
Inter-segment liabilities	(54,681,921)	(64,018,197)
	<u>(18,715,357)</u>	<u>(39,060,778)</u>

## 35. MAJOR PROPERTIES OWNED BY THE GROUP (cont'd)

Location	Company	Type/Usage	Area
<b>Investment properties (cont'd)</b>			
<u>Held by associates</u>			
304 Orchard Road #05-00 Lucky Plaza Singapore 238863	Hong Property Investments Pte Ltd	Freehold. Commercial.	Gross floor area of 3,062 square metres (32,959 square feet).
400 Orchard Road #20-05/05A/06 Orchard Towers Singapore 238875	Hong Property Investments Pte Ltd	Freehold. Commercial.	Gross floor area of 330.92 square metres (3,562 square feet).
West Midlands House Gipsy Lane Willenhall West Midlands	Capital Willenhall Limited	Freehold. Office building.	Gross floor area of 2,532 square metres (27,228 square feet).
51 Scotts Road	Scotts Spazio Pte. Ltd.	Leasehold 15 years from 15 August 2007. 4-storey office block.	Land area of 1.04 hectares. Maximum permissible gross floor area of 15,666 sq metres (168,628 sq feet).

## 36. FAIR VALUES OF ASSETS AND LIABILITIES

### (a) Fair value hierarchy

The Group categories fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

- (i) Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at the measurement date;
- (ii) Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and
- (iii) Level 3 - Unobservable inputs for the asset or liability.

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

# Notes to the Financial Statements

31 December 2013

## 36. FAIR VALUES OF ASSETS AND LIABILITIES (cont'd)

### (b) Assets and liabilities measured at fair value

The following table shows an analysis of each class of assets and liabilities measured at fair value at the end of the reporting period:

	Group			Total
	Fair value measurements at the end of the period using			
	Quoted prices in active markets for identical instruments (Level 1) \$	Significant observable inputs other than quoted prices (Level 2) \$	Significant unobservable inputs (Level 3) \$	\$
<b>2013</b>				
<b>Recurring fair value measurements</b>				
<b>Assets:</b>				
<b>Financial assets:</b>				
Available-for-sale financial assets				
- Quoted equity investments (current)	37,222,113	-	-	37,222,113
- Quoted non-equity investments (non-current)	3,571,600	-	-	3,571,600
- Unquoted equity investments (non-current)	-	1,206,687	1,246,042	2,452,729
	40,793,713	1,206,687	1,246,042	43,246,442
<b>Non-recurring fair value measurements</b>				
Disposal group classified as held for sale*	-	3,177,081	-	3,177,081

\* Disposal group classified as held for sale with a carrying amount of \$3,377,081 were written down to their fair value less cost to sell of \$3,177,081, resulting in a net loss of \$200,000, which was included in the profit or loss for the period (Note 11).

### (c) Level 2 fair value measurement

The following is a description of the valuation techniques and inputs used in the fair value measurement for assets and liabilities that are categorised within Level 2 of the fair value hierarchy:

#### *Unquoted equity investment (non-current)*

The Group uses a variety of methods and makes assumptions that are based on market conditions existing at the end of each reporting period. Quoted market prices or dealer quotes for similar instruments are used to estimate fair value for unquoted equity investments.

# Notes to the Financial Statements

31 December 2013

## 36. FAIR VALUES OF ASSETS AND LIABILITIES (cont'd)

### (d) Level 3 fair value measurements

Information about significant unobservable inputs used in the Level 3 fair value measurements

The following table shows the information about fair value measurements using significant unobservable inputs (Level 3)

Description	Fair value at 31 December 2013 \$	Valuation techniques	Unobservable inputs	Range (weighted average)
<b>Recurring fair value measurements</b>				
Available-for-sale financial assets				
- Unquoted equity investments (non-current)	1,246,042	Discounted cash flow	Discount for lack of marketability	15%

For unquoted equity investments, a significant increase/(decrease) in discount for lack of marketability would result in a significant (lower) higher fair value measurement.

The following table shows the impact on the Level 3 fair value measurement of assets and liabilities that are sensitive to changes in unobservable inputs that reflect reasonable possible alternative assumptions. The positive effects and negative effects are approximately the same.

	31 December 2013			
	Carrying amount \$	Effect of reasonable possible alternative assumptions		
		Profit or loss \$	Other comprehensive income \$	
<b>Recurring fair value measurements</b>				
Available-for-sale financial assets				
- Unquoted equity investments (non-current)	1,246,042	-	186,906	

In order to determine the effect of the above reasonably possible alternative assumptions, the Group adjusted the discount for lack of marketability by increasing and decreasing the assumptions by 15% depending on the individual characteristics of the instruments.

### Movements in level 3 assets and liabilities measured at fair value

	Group \$
<b>Fair value measurements using significant unobservable inputs (Level 3)</b>	
Available-for-sale financial assets:	
Unquoted equity investments (non-current)	
At 1 January 2013	930,310
Total losses included in other comprehensive income	(8,975)
Purchased during the year	324,707
At 31 December 2013	<u>1,246,042</u>

# Notes to the Financial Statements

31 December 2013

## 36. FAIR VALUES OF ASSETS AND LIABILITIES (cont'd)

### (e) Assets and liabilities not carried at fair value but for which fair value is disclosed

The following table shows an analysis of the Group's assets and liabilities not measured at fair value at 31 December 2013 but for which fair value is disclosed:

	Group			Total \$
	Quoted prices in active markets for identical instruments (Level 1) \$	Significant observable inputs other than quoted prices (Level 2) \$	Significant unobservable inputs (Level 3) \$	
<b>2013</b>				
<b>Assets:</b>				
<b>Non-financial assets:</b>				
Investment properties				
- Commercial	–	9,100,000	131,032,226	140,132,226
- Residential	–	69,758,990	–	69,758,990
	–	78,858,990	131,032,226	209,891,216

#### Determination of fair value

##### *Commercial investment properties*

Valuations are based on comparable market transactions that consider the sale of similar properties that have been transacted in the open market and/or applying a yield that reflects the specific risk inherent in the net cash flows expected to be received from renting out the properties.

##### *Residential investment properties*

Valuations are based on comparable market transactions that consider the sale of similar properties that have been transacted in the open market.

# Notes to the Financial Statements

31 December 2013

## 36. FAIR VALUES OF ASSETS AND LIABILITIES (cont'd)

### (f) Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value

The fair values of the financial assets and liabilities by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair value are as follows:

	Group			
	2013	Fair value	2012	Fair value
	Carrying value	\$	Carrying value	\$
	\$	\$	\$	\$
Financial assets:				
Unquoted equity, at cost	8,214,784	*	352,314	*
Unincorporated joint venture, at cost	225,150	*	177,008	*
Amount due from associates	3,704,742	#	3,639,616	#
Interest receivable on loan to an associate (Note 21)	101,093	#	1,093	#

#### \* Unquoted equity and unincorporated joint venture, at cost

Fair value information has not been disclosed for the Group investments in equity securities and unincorporated joint venture carried at cost because fair value cannot be measured reliably. These investments are not quoted in any market and do not have any comparable industry peers that are listed. In addition, the Group does not intend to dispose of these investments in the foreseeable future.

#### # Amount due from associates (non-current)

It is not practical to estimate the fair value of the non-current amount due from associates and interest receivable on loan to an associate as the amounts are not repayable within a year and there are no fixed repayment terms. Hence, the timing of future cash flows cannot be estimated reliably.

# Notes to the Financial Statements

31 December 2013

## 36. FAIR VALUES OF ASSETS AND LIABILITIES (cont'd)

### (g) Carrying amounts of financial instruments by categories

The table below is an analysis of the carrying amounts of financial instruments by categories as at 31 December:

	Note	2013 \$	Group 2012 \$
<i>Loans and receivables</i>			
Other receivables (exclude deferred rental receivable)	21	10,144,782	9,266,550
Trade receivables	23	270,599	969,588

Quoted equity, at fair value	20	37,222,113	29,390,291
Quoted non-equity, at fair value	20	3,571,600	3,482,851
Unquoted equity, at fair value	20	2,452,729	2,527,518
Unquoted debt instrument, at fair value	20	–	4,310,675
Unquoted equity, at cost	20	8,214,784	352,314
		51,461,226	40,063,649
<i>Financial liabilities measured at amortised cost</i>			
Trade payables	26	585,225	660,882
Other payables (exclude rental received in advance)	27	6,035,079	3,287,182
Accrued operating expenses		1,632,717	1,780,826
Amounts due to associates	18	517,415	519,864
Bank loans (secured)	28	28,990,129	19,159,760
		37,760,565	25,408,514

## 37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and the Company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include equity price risk, interest rate risk, liquidity risk, credit risk and foreign currency risk. The Directors review and agree policies and procedures for the management of these risks. The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Audit and Risk Committee provides independent oversight to the effectiveness of the risk management policies, procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risks.

The following sections provide details regarding the Group's and Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

# Notes to the Financial Statements

31 December 2013

## 37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (cont'd)

### (a) Equity price risk

Equity price risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market prices (other than interest or exchange rates). The Group is exposed to equity price risk arising from its investment in quoted equity securities. These securities are quoted on stock exchanges in Singapore, Korea and London. The Group's objective is to manage investment returns and equity price risk using a mix of investment grade shares with steady dividend yield and non-investment grade shares with higher volatility. To manage its price risk arising from investments in equity securities, the Group diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Group.

The table below demonstrates the sensitivity to a reasonably possible change in equity price risk with all other variables held constant, of the Group's profit before tax and the Group's fair value reserve:

	Group		
	Percentage point change in assumption	Effect on profit before tax \$'000	Effect on fair value reserve \$'000
<b>2013</b>			
- Straits times Index	+10%	-	2,048
	-10%	(105)	(1,943)
- Korea Composite Stock Price Index	+10%	-	531
	-10%	(58)	(473)
- London Stock Exchange	+10%	-	357
	-10%	-	(357)
<b>2012</b>			
- Straits times Index	+10%	-	1,098
	-10%	(163)	(935)
- Korea Composite Stock Price Index	+10%	-	582
	-10%	(40)	(542)
- London Stock Exchange	+10%	-	348
	-10%	-	(348)

As there is no reasonable correlation in any market index for three of the Group's unquoted equity investments, an expected rate of change in the fair value of the shares held by the investment is adopted to reflect the impact to the financial statements.

At 31 December 2013, if the fair value of these unquoted equity investments had been 10% higher/lower with all other variables held constant, the Group's equity would be approximately \$245,000 (2012: \$253,000) higher/lower as a result of an increase/decrease in the fair value of equity instruments classified as available-for-sale.

---

# Notes to the Financial Statements

---

31 December 2013

## 37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES *(cont'd)*

### **(b) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market interest rates. The Group's exposure to interest rate risk arises primarily from its placements in fixed deposits, investments in quoted, unquoted bonds and floating rate notes and debt obligations with financial institutions. The Group's policy is to obtain the most favourable interest rates available without increasing its foreign currency exposure. The Group uses a combination of fixed and floating rates facilities to allow the Group to benefit from the relative lower interest rate in short term loans and mitigate sudden hike in interest rates.

At the end of the reporting period, if interest rates had been 50 (2012: 50) basis points lower/higher with all other variables held constant, the Group's profit before tax would have been \$144,000 (2012: \$80,000) higher/lower.

### **(c) Liquidity risk**

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities.

The Group's and the Company's objective is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under normal and stressed conditions if any, without incurring unacceptable losses or risking damage to the Group's reputation. This is achieved through monitoring the cash flow requirements closely and optimising its cash return on investments. In addition, the Group also maintains the availability of stand-by credit facilities.

Surplus funds are placed with reputable banks and/or financial institutions.

# Notes to the Financial Statements

---

31 December 2013

## 37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES *(cont'd)*

### (d) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises mainly from trade and other receivables. For other financial assets (including investment securities and cash and bank balances), the Group and the Company minimise credit risk by dealing with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. Receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant.

At the end of the reporting period, the carrying amount of trade and other receivables and cash and bank balances represent the Group's and the Company's maximum exposure to credit risk. No other financial assets carry a significant exposure to credit risk.

At the end of the reporting period, there was no significant concentration of credit risks.

#### Financial assets that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are creditworthy debtors with good payment record with the Group. Cash and bank balances and investment securities are placed with or entered into with reputable financial institutions or companies with high credit ratings and no history of default.

#### Financial assets that are either past due or impaired

Information regarding financial assets that are either past due or impaired is disclosed in Note 21 (Other receivables) and Note 23 (Trade receivables).

### (e) Foreign currency risk

Currency risk arises when transactions are denominated in currencies other than the functional currencies of the respective entities. In addition, the Group is exposed to currency translation gains/losses as a result of translating its overseas assets and liabilities held through its subsidiaries. Such translation gains/losses are unrealised in nature and do not impact current year profits unless the underlying assets or liabilities of the subsidiary are disposed.

The Group does not generally use derivative foreign exchange contracts in managing its foreign currency risk arising from cash flows from anticipated transactions denominated in foreign currencies, primarily the Sterling Pound and Korean Won. Wherever possible, the Group manages its currency risks by financing its purchases using bank borrowings denominated in the currency of the country in which the asset is situated. Foreign currencies received are kept in foreign currencies accounts and are converted to the respective functional currency of the Group companies on a need-to basis so as to minimise foreign exchange exposure.

# Notes to the Financial Statements

31 December 2013

## 37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (cont'd)

### (e) Foreign currency risk (cont'd)

#### Sensitivity analysis for foreign currency risk

Entities in the Group regularly transact in currencies other than their respective functional currencies, such as Singapore Dollar, United States Dollar, Australian Dollar and Sterling Pound. The following table demonstrates the sensitivity to a reasonably possible change in the Singapore Dollar, United States Dollar, Australian Dollar, Sterling Pound and Korean Won, against the respective functional currencies of the Group's entities with all other variables held constant, on the Group's profit before tax and fair value reserve:

	Group			
	2013			2012
	Profit before tax \$'000	Fair Value Reserve \$'000	Profit before tax \$'000	Fair Value Reserve \$'000
<i>United States Dollar/Singapore Dollar</i>				
- strengthened 10% (2012: 10%)	8	90	12	134
- weakened 10% (2012: 10%)	(8)	(90)	(12)	(134)
<i>Australian Dollar/Singapore Dollar</i>				
- strengthened 10% (2012: 10%)	-	4	-	4
- weakened 10% (2012: 10%)	-	(4)	-	(4)
<i>Sterling Pound/Singapore Dollar</i>				
- strengthened 10% (2012: 10%)	993	189	2,538	184
- weakened 10% (2012: 10%)	(993)	(189)	(2,538)	(184)
<i>United States Dollar/Sterling Pound</i>				
- strengthened 10% (2012: 10%)	-	89	-	101
- weakened 10% (2012: 10%)	-	(89)	(101)	-
<i>Korean Won/Singapore Dollar</i>				
- strengthened 10% (2012: 10%)	-	531	-	582
- weakened 10% (2012: 10%)	(58)	(473)	(40)	(542)

At 31 December 2013, if Sterling Pound strengthened/weakened against Singapore Dollar by 10% (2012: 10%), the Group's currency translation reserve would have increased/decreased by \$1,339,000 (2012: \$1,316,000) arising from quasi-capital intercompany loan denominated in Sterling Pound.

In management's opinion, the above sensitivity analysis is not representative of the inherent foreign exchange risk as the year end exposure does not reflect the exposure during the year.

---

# Notes to the Financial Statements

---

31 December 2013

## 38. CAPITAL MANAGEMENT

Capital includes equity attributable to owner of the Group.

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders, issue new shares, obtain new borrowings or sell assets to reduce borrowings. The Company may also purchase its own shares on the market; subject to the terms of the share purchase mandate as approved by the shareholders. Share purchase allows the Company greater flexibility over its share capital structure with a view to improving, *inter alia*, its return on equity. Share purchase in lieu of issuing new shares would also mitigate the dilution impact on existing shareholders. No share purchase was made during the years ended 31 December 2013 and 2012.

No changes were made in the objectives, policies or processes during the years ended 31 December 2013 and 2012.

The Group monitors capital based on gearing ratio which is total liabilities divided by total equity. At 31 December 2013, total liabilities and total equity are \$44,845,298 and \$201,937,073 respectively. The Group also monitors dividends paid to shareholders. The Group seeks to maintain a balance between higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position. At 31 December 2013, the Group's gearing ratio was 0.22 (2012: 0.16).

## 39. AUTHORISATION OF FINANCIAL STATEMENTS FOR ISSUE

The financial statements for the financial year ended 31 December 2013 were authorised for issue in accordance with a resolution of the directors on 6 March 2014.

# Shareholdings Statistics

# Notice of Annual General Meeting

---

## HWA HONG CORPORATION LIMITED

(Incorporated in the Republic of Singapore)

(Company Registration No. 195200130C)

NOTICE IS HEREBY GIVEN that the Sixty-First Annual General Meeting of Hwa Hong Corporation Limited (the "Company") will be held at Novotel Singapore Clarke Quay, Phoenix I, Level 6, 177A River Valley Road, Singapore 179031 on Thursday, 24 April 2014 at 11.00 a.m. for the following purposes:

### ORDINARY BUSINESS

1. To receive and adopt the audited Financial Statements and the reports of the Directors and Auditors for the financial year ended 31 December 2013. **Resolution 1**
2. To declare a one-tier tax exempt final ordinary dividend of 1 cent per share in respect of the financial year ended 31 December 2013. **Resolution 2**
3. To approve the payment of fees up to S\$333,000 in aggregate to the non-executive Directors of the Company for the financial year ending 31 December 2014 (2013: S\$327,375), such fees to be paid on a quarterly basis in arrears at the end of each calendar quarter. **Resolution 3**  
*[See Explanatory Note (i)]*
4. To re-elect Dr Ong Hian Eng who is retiring by rotation in accordance with Article 113 of the Articles of Association of the Company. **Resolution 4**  
*(Note: Dr Ong Hian Eng is considered a non-independent non-executive Director.)*
5. To re-elect Mr Goh Kian Hwee who is retiring by rotation in accordance with Article 113 of the Articles of Association of the Company. **Resolution 5**  
*(Note: Mr Goh Kian Hwee, if re-elected, will remain a member of Audit and Risk Committee and Remuneration Committee. He is considered an independent non-executive Director.)*
6. To consider and, if thought fit, to pass the following resolutions:  
  - (a) "That pursuant to Section 153(6) of the Companies Act, Chapter 50, Mr Ong Mui Eng be and is hereby re-appointed a Director of the Company to hold office until the next Annual General Meeting of the Company." **Resolution 6**  
*(Note: Mr Ong Mui Eng is a non-independent executive Director.)*

---

# Notice of Annual General Meeting

---

- (b) "That pursuant to Section 153(6) of the Companies Act, Chapter 50, Mr Guan Meng Kuan be and is hereby re-appointed a Director of the Company to hold office until the next Annual General Meeting of the Company."

**Resolution 7**

*(Note: Mr Guan Meng Kuan, if re-elected, will remain a member of the Nominating Committee and the Remuneration Committee. He is considered a non-executive and non-independent Director.)*

- (c) "That pursuant to Section 153(6) of the Companies Act, Chapter 50, Mr Ong Choo Eng be and is hereby re-appointed a Director of the Company to hold office until the next Annual General Meeting of the Company."

**Resolution 8**

*(Note: Mr Ong Choo Eng, if re-elected will remain as Group Managing Director. He is considered a non-independent executive Director.)*

7. To re-appoint Messrs Ernst & Young LLP as the Company's Auditors and to authorise the Directors to fix their remuneration.
8. To transact any other ordinary business which may properly be transacted at an Annual General Meeting.

**Resolution 9**

## SPECIAL BUSINESS

To consider and, if thought fit, to pass with or without modifications, the following resolutions as Ordinary Resolutions:

9. **Authority to allot and issue shares up to fifty per cent (50%) of the total number of Issued Shares**

**Resolution 10**

"That authority be and is hereby given to the Directors of the Company to:

- (a) (i) issue shares in the capital of the Company ("shares") whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, "Instruments") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible or exchangeable into shares,

---

# Notice of Annual General Meeting

---

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may, in their absolute discretion, deem fit; and

- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while this Resolution was in force,

provided that:

- (1) the aggregate number of shares to be issued pursuant to this Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed fifty per cent (50%) of the total number of issued shares of the Company excluding treasury shares (as calculated in accordance with sub-paragraph (2) below), and provided further that where shareholders of the Company with registered addresses in Singapore are not given the opportunity to participate in the same on a *pro rata* basis, then the shares to be issued under such circumstances (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) shall not exceed twenty per cent (20%) of the total number of issued shares of the Company excluding treasury shares (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such manner of calculation and adjustments as may be prescribed by the Singapore Exchange Securities Trading Limited ("SGX-ST")) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (1) above, the percentage of the total number of issued shares excluding treasury shares shall be based on the total number of issued shares of the Company excluding treasury shares at the time this Resolution is passed, after adjusting for:
  - (i) new shares arising from the conversion or exercise of any convertible securities;
  - (ii) new shares arising from the exercise of share options or the vesting of share awards which are outstanding or subsisting at the time this Resolution is passed, provided that the options or awards were granted in compliance with the Listing Manual of the SGX-ST; and

---

# Notice of Annual General Meeting

---

(iii) any subsequent consolidation or subdivision of shares;

and, in relation to an Instrument, the number of shares shall be taken to be that number as would have been issued had the rights therein been fully exercised or effected on the date of the making or granting of the Instrument; and

(3) (unless revoked or varied by the Company in general meeting) the authority conferred by this Resolution shall continue in force until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.”

*[See Explanatory Note (ii)]*

10. **Authority to allot and issue shares under Hwa Hong Corporation Limited (2001) Share Option Scheme**

**Resolution 11**

“That pursuant to Section 161 of the Companies Act, Chapter 50, approval be and is hereby given to the Directors or any committee appointed by them to exercise full powers of the Company to offer and grant options over shares in the Company in accordance with the Rules of the Hwa Hong Corporation Limited (2001) Share Option Scheme approved by shareholders of the Company in general meeting on 29 May 2001 and extended for a further period of 10 years from 29 May 2011 to 28 May 2021 and as may be amended from time to time and to allot and issue shares in the Company upon the exercise of any such options (notwithstanding that the exercise thereof or such allotment and issue may occur after the conclusion of the next or any ensuing Annual General Meeting of the Company), and to do all acts and things which they may consider necessary or expedient to carry the same into effect, provided always that the aggregate number of shares to be issued pursuant to the Hwa Hong Corporation Limited (2001) Share Option Scheme shall not exceed five per cent (5%) of the total number of issued shares of the Company from time to time.”

*[See Explanatory Note (iii)]*

---

# Notice of Annual General Meeting

---

## 11. Authority to issue shares under Hwa Hong Corporation Limited Scrip Dividend Scheme

Resolution 12

“That pursuant to Section 161 of the Companies Act, Chapter 50, approval be and is hereby given to the Directors of the Company to allot and issue shares in the Company as may be required to be allotted and issued pursuant to the Hwa Hong Corporation Limited Scrip Dividend Scheme approved by shareholders of the Company in general meeting on 7 November 2003, and to do all acts and things which they may consider necessary or expedient to carry the same into effect.”

*[See Explanatory Note (iv)]*

### BY ORDER OF THE BOARD

Hazel Chia Luang Chew  
Secretary

Singapore, 3 April 2014

### Note

A Member entitled to attend and vote at the meeting may appoint not more than two proxies to attend and vote in his stead. Where a Member appoints more than one proxy, he shall specify the proportion of his shareholdings to be represented by each proxy. A proxy need not be a Member of the Company. The instrument appointing a proxy or proxies must be deposited at the Registered Office of the Company at 38 South Bridge Road, Singapore 058672 at least forty-eight (48) hours before the time appointed for holding the meeting.

---

# Notice of Annual General Meeting

---

## Explanatory Note to Ordinary Business

- (i) Resolution 3, if passed, will authorise the Company to effect payment of fees to the non-executive Directors (including fees payable to members of the various committees of the Board) for the financial year ending 31 December 2014, such payment to be made on a quarterly basis in arrears. This Resolution will facilitate the payment by the Company of the Directors' fees during the financial year in which they are incurred.

## Explanatory Notes to Special Business

- (ii) Resolution 10, if passed, will empower the Directors to issue shares in the capital of the Company and/or Instruments (as defined above). The aggregate number of shares to be issued pursuant to this Resolution, including shares to be issued in pursuance of Instruments made or granted pursuant thereto, will be subject to the 50% limit and the 20% sub-limit. The 50% limit and the 20% sub-limit will be calculated based on the total number of issued shares of the Company excluding treasury shares at the time this Resolution is passed, after adjusting for:
  - (i) new shares arising from the conversion or exercise of any convertible securities or exercise of share options or vesting of share awards which are outstanding or subsisting at the time of this Resolution is passed; and
  - (ii) any subsequent consolidation or subdivision of shares.

The authority conferred by this Resolution will continue in force until the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier, unless previously revoked or varied at a general meeting.

- (iii) Resolution 11, if passed, gives authority to the Directors to grant options and to issue shares in connection with the Hwa Hong Corporation Limited (2001) Share Option Scheme (notwithstanding that such issue of shares may take place after the expiration of this approval).
- (iv) Resolution 12, if passed, gives authority to the Directors to issue shares in the capital of the Company pursuant to the Hwa Hong Corporation Limited Scrip Dividend Scheme approved at the Extraordinary General Meeting of the Company held on 7 November 2003.

**Notes**

1. Please insert in the box at the bottom right hand corner on the reverse of this form, the number of shares entered against your name in the Depository Register maintained by The Central Depository (Pte) Limited ("CDP") in respect of shares in your Securities Account with CDP and the number of shares registered in your name in the Register of Members in respect of share certificates held by you. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the shares held by you.
2. A Member of the Company entitled to attend and vote at the meeting is entitled to appoint not more than two proxies to attend and vote on his behalf. A proxy need not be a Member of the Company.
3. Where a Member appoints two proxies, the appointments shall be invalid unless he specifies the proportion of his shareholding to be represented by each proxy.
4. This instrument appointing a proxy or proxies must be signed by the appointor or his duly authorised attorney, or if the appointor is a body corporate, executed under its common seal or signed by its duly authorised officer or attorney.
5. A body corporate which is a Member may also appoint an authorised representative or representatives in accordance with Section 179 of the Companies Act, Chapter 50, to attend and vote for and on behalf of such body corporate.
6. This instrument appointing a proxy or proxies, duly executed, together with the power of attorney (if any) under which it is signed or a certified copy thereof, must be deposited at the Registered Office of the Company at 38 South Bridge Road, Singapore 058672 at least forty-eight (48) hours before the time fixed for holding the meeting.
7. The Company shall be entitled to reject this instrument appointing a proxy or proxies if it is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in this instrument appointing a proxy or proxies. In addition, in the case of a Member whose shares are entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the Member, being the appointor, is not shown to have shares entered against his name in the Depository Register as at forty-eight (48) hours before the time appointed for holding the Annual General Meeting, as certified by CDP to the Company.
